## ASSHOLE OF THE MONTH

Why does everyone hate Kathie Lee Gifford? Born Kathie Lee Epstein, August 16, 1953; first walk with Christ, 1967; Maryland's Junior Miss, 1971; understudy to Anita Bryant, 1972; attends Oral Roberts University, performs with Oral's World Action Singers, 1974 to '75; regular on *Hee Haw* Honeys, 1977; cover girl *Christian Life* magazine, 1978; featured gospel singer on *The PTL Club* and *The 700 Club*, late 1970s; fill-in reporter on *Good Morning, America*, early 1980s; cohost *Live With Regis and Kathie Lee*, 1985 to present; has child, Cody, March 22, 1990; passes saturation threshold and induces widespread nausea, March 23, 1990; HUSTLER's Asshole of the Month, April, 1996.

In June 1994, the world was shocked to learn that a former National Football League hero had been arrested and charged with slitting his wife's throat. Most of us assumed that ex-New York Giants slot receiver Frank Gifford had finally taken a knife to the scrawny neck of his wife, Kathie Lee Gifford, and we understood Frank's pain.

As a nation, we have seen the decline of suffering Frank Gifford, now a sportscaster, miserable, old and broken-down, huddling in the broadcast booth of *Monday Night Football*. A constipated grimace of unrelenting discomfort constricts Frank's face, the cringing look of a defeated man who waited until his sixth decade to make the biggest mistake of his life.

Well into his fifties, an age of wisdom and good judgment, Frank

Gifford had married perky, precious, plasticine Kathie Lee. Who could have blamed him for taking a cleaver and hacking his pisshole bride to pieces?

What Kathie Lee has done to her husband in the eyes of mankind is nothing compared to the perils faced by her children. Having whelped both her offspring from the dusty jizz of a man old enough to be their great-grandfather, the ever-ambitious, saccharine and grating Gifford immediately thrust her spawn into the harsh, unhealthy light of celebrity, a public regard that even self-immersed Kathie Lee recognizes: "You pay a price in ways that cannot be measured," whispers Kathie Lee of the rigors of suc-

cess. "In your loss of privacy...you really don't know what it's going to be like." The greatest cost? "Your children's safety is at stake."

Despite her awareness of the dangers and drawbacks, Kathie Lee has shamelessly and ceaselessly exploited her kids, hiding behind them on the cover of *TV Guide*, pushing them to perform on television, using them as props and shills to advance her image of all-American sweetness and humility.

Radio personality Howard Stern predicts that Gifford's son, Cody, will grow up to go on the talk-show circuit with stories of how he hates his mother, but that's an optimistic scenario. Cody, an animated child who sports the kind of fixed grin

often associated with kids who torture pets, was reported to have nearly stabbed a little girl's eye out at his nursery school with a pair of scissors. Gifford, who admits to sleeping in the bed of her child almost every night, dismisses the stabbing as an exaggeration.

"Success," spouts Kathie Lee, "is how wonderful a human being your child is."

With Kathie Lee's sick influence, the Giffords will be lucky if Cody doesn't grow up to rape and kill Mommy.

"I poop on this," discloses Kathie Lee Gifford in *Listen to My Heart: Lessons in Love, Laughter and Lunacy*, a book she coauthored with toddler son, Cody. "I poop on that. I poop on everything."

What lessons might be learned from the heart of this perky cupcake woman who feels that to "poop on this" and "poop on that" is "a perfectly human activity" and, moreover, wants her child "to feel healthy about things like that"?

Lesson One: Do not get caught downwind of her.

Lesson Two: Do not step within her shit-flinging range.

Gifford, self-described as "the most grateful person in the world," has a habit of publicly criticizing her producer, Michael Gelman, attacking him for being "male" and "Jewish." Gelman, under a management gag order, is denied the luxury of responding.

"I always pray for those who decide to be my enemy," pisses Kathie Lee, to which we respond: Thanks for your prayers, Asshole.

**Hazel O'Leary:** As Secretary of the U. S. Department of Energy, Hazel O'Leary isn't shy about using the nation's resources—particularly taxpayer money. In what seems to have more to do with pumping up Hazel's fat head than with advancing American interests, O'Leary has taken entourages of between 30 and 51 staffers on worldwide trips that

### Farts in the Wind

have questionable relevance to Department of Energy business; trips that cost the government \$720,000, \$500,000, \$845,000 and \$560,000. O'Leary's department hired a private firm to track and rate how different news reporters cover her agency. Hazel: Send travel vouchers, and we'll tell you direct. Asshole.

**William Bennett:** Former Secretary of Education and drug czar for the industrialized country with the most illiterate junkies, and author of *The Book of Virtues*, William Bennett now heads Empower America, a media group encouraging TV sponsors to practice prior-restraint censorship of programming. Bennett is an Asshole. Can we still say that?

## What Affects You More?

HUSTLER, like its readers, cares deeply about important world events. Ecological crises, questions of foreign policy and shake-ups in the Third World socioeconomic infrastructure have caused many

sleepless nights here at America's Magazine. As the 21st century looms ever closer, however, it is important to keep a certain amount of perspective when analyzing the complexities of life in

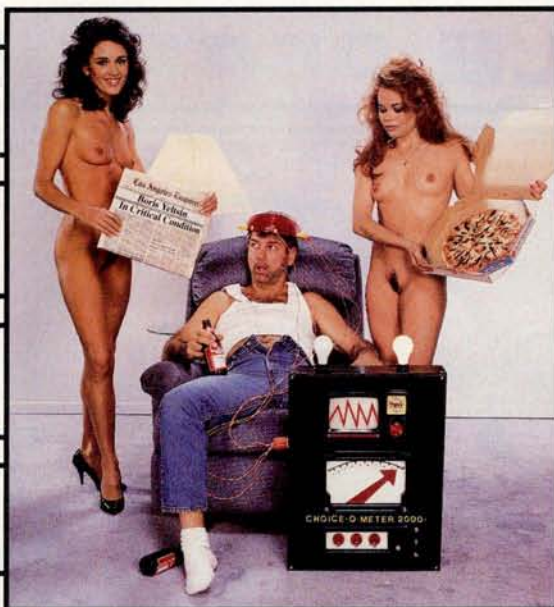

these troubled times. With the hope that greater understanding will someday lead to global peace and harmony, HUSTLER asks readers to answer the question: *What Affects You More?*

Atrocities committed in Bosnia...

The murder of Israeli Prime Minister Yitzhak Rabin...

Boris Yeltsin's fading health...

The 1996 Presidential election...

...or the fact that Domino's Pizza never has any anchovies?

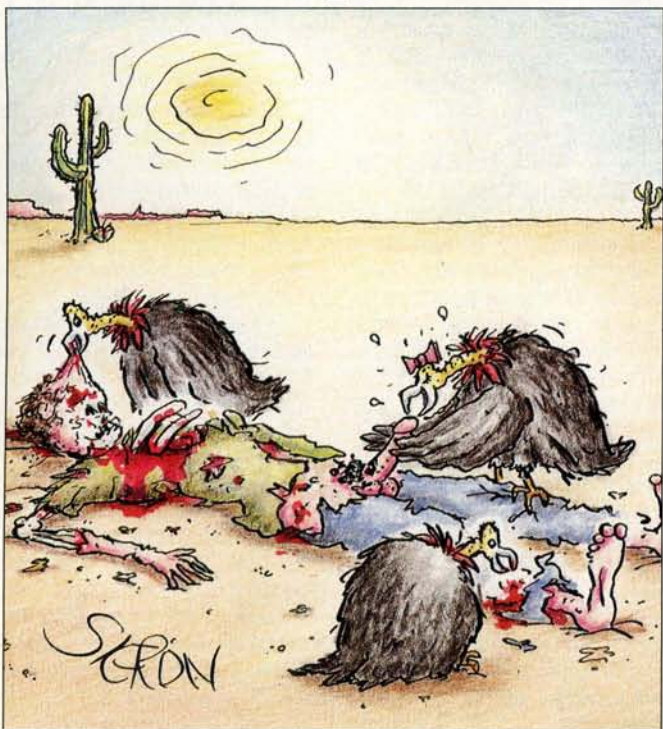

...or Blockbuster Video's refusal to rent porn?

...or the plan to hire male waiters at Hooters?

...or the fact that the fat guy on *NYPD Blue* has shown his ass and the chicks on *Friends* have not?

Think about it. A HUSTLER Public Service Announcement.

## MOST TASTELESS CARTOON

## Porn From the Past

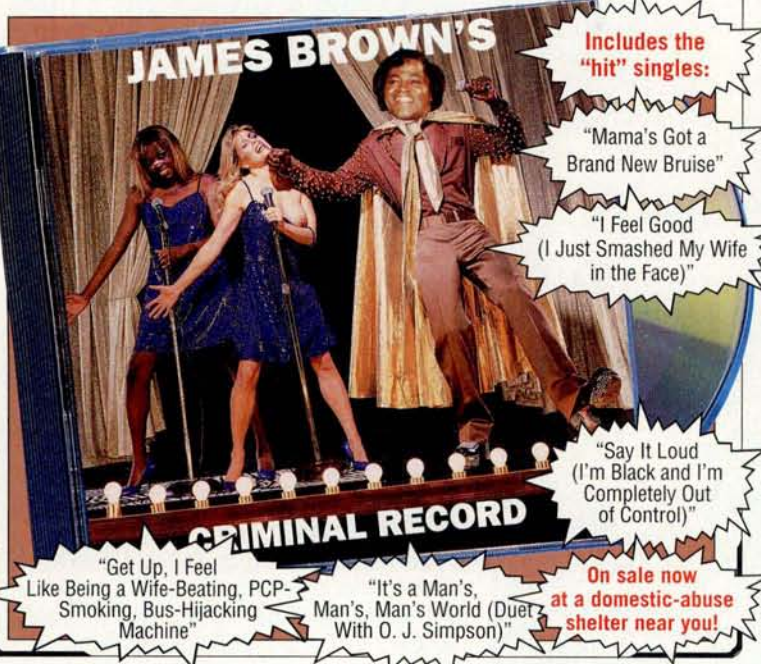

What's going on here? A hair-pulling fight between mortal enemies? Two best friends comparing dye-jobs on a lazy afternoon? With bare butts and breasts in such bounteous abundance, the past's porn fans probably never stopped jerking off long enough to ponder such questions.

Thanks and \$150 to Robert Pompa for appealing to the mind and the groin with this historic smut. Send your submissions to HUSTLER's Porn From the Past, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a self-addressed, stamped envelope if you want the material returned.

# James Brown's Criminal Record

Ladies and gentlemen...it's scar time! Bitch-Slap Records presents a collection of brand-spanking-new tunes sung by the hardest-hitting man in show business...Cell Brother Number One...James Brown, live from the County Courthouse!

**JAMES BROWN'S**

**CRIMINAL RECORD**

Includes the "hit" singles:

- "Mama's Got a Brand New Bruise"
- "I Feel Good (I Just Smashed My Wife in the Face)"
- "Say It Loud (I'm Black and I'm Completely Out of Control)"

On sale now at a domestic-abuse shelter near you!

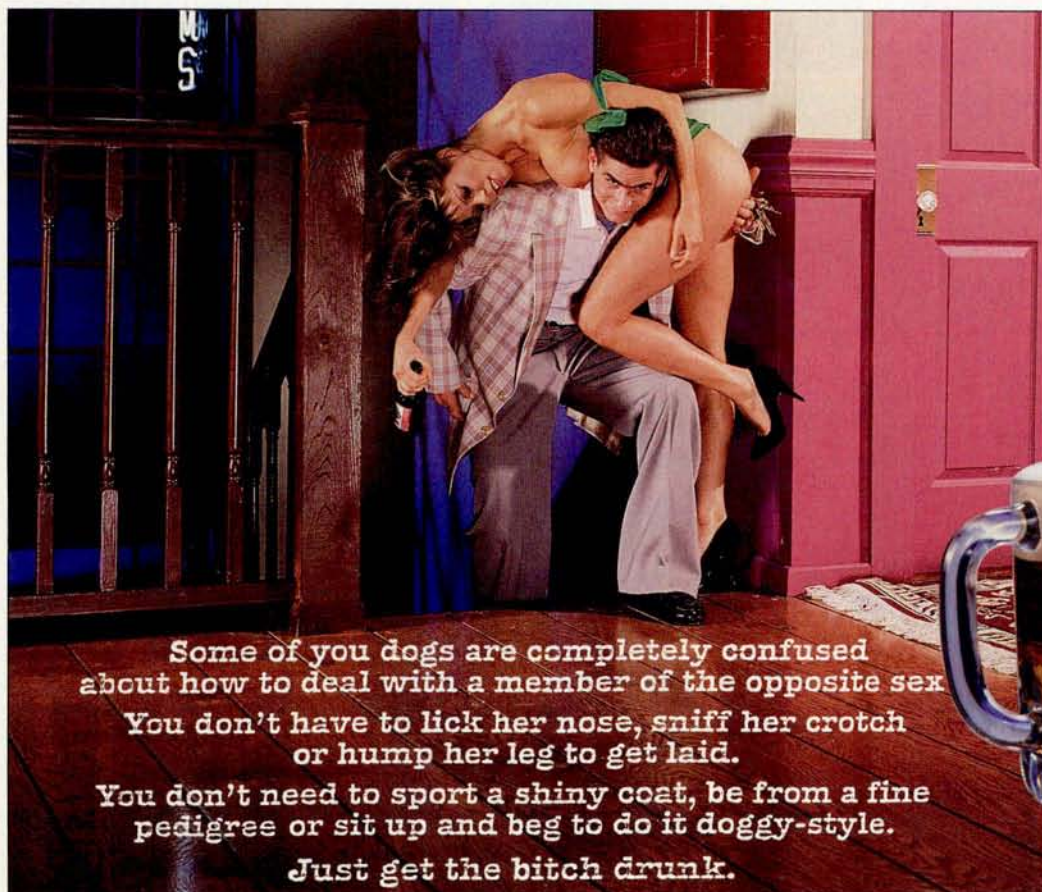

"Get Up, I Feel Like Being a Wife-Beating, PCP-Smoking, Bus-Hijacking Machine"

"It's a Man's, Man's, Man's World (Duet With O. J. Simpson)"

# Lick It Up

Stop and closely examine the puddle of goo that dripped out from between the cheeks of this delectable white booty. Now look deep inside your soul, and ask yourself: *Without knowing what exactly that brownish accumulation is composed of—be it chocolate ice cream, cappuccino or something far less aromatic—would I greedily tongue-swab this hot piece of ass from clit to rectum, with all the taint in between?* Now that's food for thought.

Some of you dogs are completely confused about how to deal with a member of the opposite sex. You don't have to lick her nose, sniff her crotch or hump her leg to get laid. You don't need to sport a shiny coat, be from a fine pedigree or sit up and beg to do it doggy-style. Just get the bitch drunk.

Dead Dog Beer gets dates dead drunk.

180-proof rotgut, pissed out by the hounds at Anschnauzer-Bush.

# Rock & Roll Over the Hill

As someone once sang, rock'n'roll will never die; it will simply make a few more million dollars off baby boomers with nothing better to spend their paychecks on than \$130 Eagles concert tickets, and re-

tire fat, bald and impotent. Cigarette lighter-waving, Geritol-swilling concertgoers can look forward to purchasing exciting new souvenirs at an overpriced memorabilia stand.

When it comes to your gums, do you let it bleed? Have you cared for your teeth as fastidiously as Keith Richards has cared for his body? Pearly white-impaired followers of the World's Greatest Rock Band can stop sucking in their seventies and start chewing in the nineties, with **Rolling Stones Dentures**. "Satisfaction" guaranteed!

For everyone who thrills to the sound of adolescent anarchy and teenage rebellion as celebrated by wrinkled old New York has-beens, but can't wait out that lollapalooza of a line to the Port-A-Potty, slap on the **Sonic Youth Diapers for Punk Rockers**. Stay just as full of shit as your favorite unlistenable noise-rock band.

A few years back, Pete Townshend announced his bisexuality with the statement, "I am a woman." Fans of the Who responded with a resounding, "Huh?" Your ears won't get fooled again with the **Pete Townshend Hearing Aid**. Available without batteries, to prevent exposure to Roger Daltrey's screeching.

Who needs clean living when you can buy a new liver? That's the question John Phillips, junkie warbler for the Mamas and the Papas, and fat folkie David Crosby asked a team of crack (not to mention speed and heroin) scientists. **The Crosby and Phillips Dialysis Machine** removes the body's own harmful toxins, replacing them with harmful toxins from a local street corner.

PARODY. NOT TO BE TAKEN SERIOUSLY.

## TarantiNo More

Most decent Americans have tried to ignore the shrill presence of Quentin Tarantino, hoping the comic-book geek turned tough-guy movie director would fade away like a bad dream. Sadly, Tarantino's stints on doomed television programs such as *Saturday Night Live* and in countless magazine interviews have made his pointy chin an inescapable blight on the media landscape. As a public service, *HUSTLER* offers the following ways to get rid of this irritating, whiny-voiced excrescence once and for all.

- ☺ **Put a naked woman in his apartment.**
- ☺ **Offer him Paul Lynde's old spot on *The Hollywood Squares*.**
- ☺ **Melt his collection of *Star Wars* toys into a lump and wait for his ensuing suicidal depression.**
- ☺ **Force him to watch *Desperado*, *Destiny Turns On the Radio* and every other faggy art film he's appeared in.**

PARODY. NOT TO BE TAKEN SERIOUSLY. DIRECTOR'S HEAD PASTED ONTO OUR MODEL'S BODY.

## Labes From the Lab

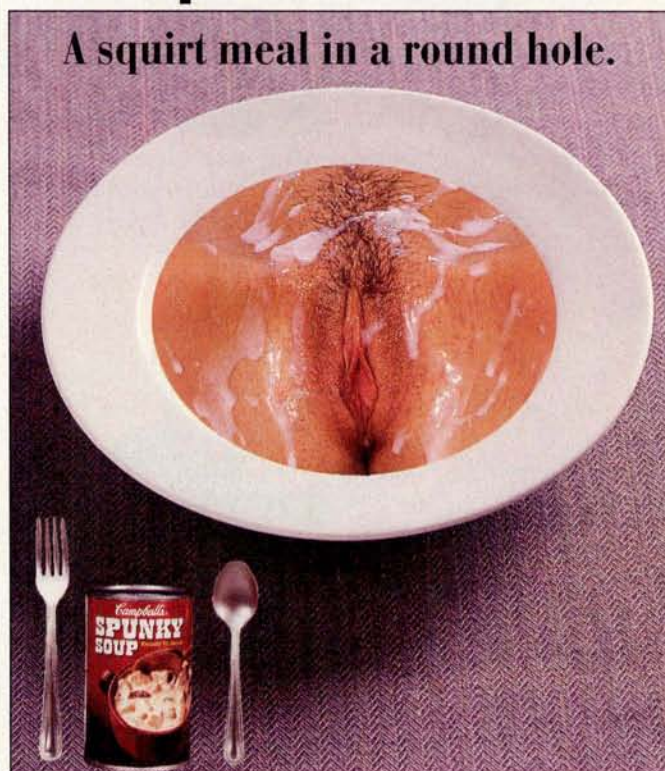

People were amazed, and a bit nauseated, when scientists at the University of Massachusetts unveiled photos of a laboratory mouse with a human ear grafted onto its back. This triumph of "tissue engineering" has led the way for the construction of other, more vital organs on small animals, including a Shih Tzu with a two-foot-long dong. The march of

progress took a step backward, however, when someone left a cage unlocked, and a mouse with a human cunt engineered to the tissue of his back escaped. Seconds later, the snatch-packing squeaker was gobbled up by a cat attracted to the smell of tuna. Horny men in lab coats everywhere mourn the unfortunate incident of pussy eating pussy.

PARODY. NOT TO BE TAKEN SERIOUSLY.

## Campbell's SPUNKY

A squirt meal in a round hole.

Dick meals don't get any more spurtifying or well-splattered than this.

**Goop that eats like a meal.®**

AD PARODY. NOT TO BE TAKEN SERIOUSLY.

HUSTLER boldly goes where no white-trash, chicken-shit cracker astronaut has gone before!  
Take a trip to the darkest side of the moon—you may never come back from...

# Planet Black

"Harlem, we have a problem." The words sputter from a broken-down ghetto blaster at the offices of NASA (Negro Aeronautics and Space Administration). No one answers.

"Lawdy," cries the lonely, desperate voice. "What am this weird, forbidding world, where de laws of nature and logic am turned upside down?"

"Oh, my brother," comes the response from an extraterrestrial inhabitant of the Melanin Galaxy's big, black asteroid. "You're about to have a funky encounter of the absurd kind. Welcome...to Planet Black."

The Honorable Elijah Muhammad, founder of the Nation of Islam, believed that a giant flying saucer full of specially trained black men would someday land on earth and kill every last white person. Until that day, honkies can huddle around their telescopes and watch a strange, tragically comic, Bizarro World-style course of events unfold...on Planet Black.

...where convicted rapists, drug users and alleged murderers are given million-dollar recording contracts, and get elected to public office!

...where visiting dignitaries from countries with discriminatory policies against blacks are given standing ovations, and are treated like kings!

...where men can brutally beat and murder their wives, and completely get away with it!

...where the leading cause of death among young males of the species is killing each other!

PARODY. NOT TO BE TAKEN SERIOUSLY.

# FEED BACK

## A Pose That Refreshes

I've been buying HUSTLER since I was 18, and I've enjoyed every bit of it. I really did like Tammy sitting over the pot like she was taking a piss (*Tammy: Candid Cooze*, January, 1996). That kind of shit really turns me on! Please have more of your models sitting on the pot taking a piss. These are the reasons HUSTLER kicks *Playgirl's* ass.

—K. H.  
Poynor, Texas

*Funny, HUSTLER never considered Playgirl a source of competition.*

## The Few, the Pissed

I am writing in reference to "Mission of Mercy" in the January 1994 issue of *Feedback*. I am a hard-core motivated Devil Dog in the United States Marine Corps. I am fucking pissed that S. S. from Marysville, California, would say that we are mercenaries. If I have my knee shot in Saudi, like I did, you bet I won't come crying to you. You get out there and fight and kill! Until you have the guts and balls to be one of the few, the proud, a United States Marine, you have no room to talk. I don't care if you mean Army, Air Force or Navy. It isn't easy fighting for the people in the U.S. when you don't even like every one, but you don't have any choice. The President of the United States is in control here. If that's being a mercenary or an assassin, so be it.

—Lance Corporal USMC  
Pearl Harbor, Hawaii

*Blowhards are an American tradition, Corporal. You're in the tough spot of taking orders from some of them and fighting for the freedom of other ones at the same time. Stay healthy and keep telling us about it.*

## Heaven in Hell

Hello from hell. We are the soldiers of the 1/15 Infantry Scout Platoon. We are currently deployed in the scenic country of the former Yugoslav republic of Macedonia, eagerly awaiting the arrival of the Secretary of Defense, the honorable Mr. William Perry. Due to the constraints the

military has put on us and a lack of entertainment, we are also eagerly awaiting new issues of HUSTLER for our small PX. Needless to say, HUSTLER provides more entertainment than the honorable Mr. William Perry or the dreaded thought of Bob Hope arriving in a helicopter wearing red, white and blue boxer shorts and bombarding us with tacky, timeworn jokes. So far, our PX hasn't received any new HUSTLER to date. All we have are

worn-out issues of HUSTLER we bought in Germany. Those issues are still used, uh, read, over and over again. Our fists are raised to you nightly.

—U. S. Army 1/15 Infantry Scout Platoon  
Former Yugoslav Republic of Macedonia

*We're glad to receive your salute.*

## Asks for It, Gets It

I love your *Hot Letters* as much as your hot pictorials. I'm wondering if you'll come out with a magazine filled with letters, as you do with your cartoons in HUSTLER HUMOR. I can only hope that you do. Unless, of course, you actually do. Then I'll say thank you. God bless our First Amendment, and God bless HUSTLER. Stay hard.

—R. H.  
Blythe, California

## Grievors With a Grievance

While reading the 1995 Holiday Issue, we were greatly disturbed by something in your *Bits and Pieces* section. Although we read the disclaimer for the Jerry Garcia parody ("Serenity Manor Drug Treatment Center," *Bits and Pieces*, Holiday Issue 1995), such a parody about a respected and revered social icon is in extremely poor taste. To put Jerry in a section that ridicules such scum as Newt

# FEEDBACK

(continued from page 11)

Gingrich insults your readership. As fans of your magazine, it grieves us deeply. Space in the magazine would be used more constructively to target someone deserving public ridicule (such as Bob Dole, Ross Perot, Newt Gingrich). We, the avid readers of your normally enlightened and politically insightful publication, would appreciate it greatly if in the future you look to more deserving targets in what is clearly a target-rich environment. Leave fine humanitarians and all-around good people such as Jerry Garcia out of cheap shots! — C. & J. Lovelock, Nevada

*The "Serenity Manor" parody was intended to hammer home the life-and-death consequences of drug addiction and the often futile efforts of the substance-abuse-treatment industry, neither one of which did Jerry Garcia much good. Sorry to have offended you, but if drugs are in any part the reason for your incarceration, this parody is more than a stab at a "revered icon."*

## A Big Favor

I've been a reader of HUSTLER for quite some time. All I see in your magazine are model-type women. Could you show women with a little fat on them? Give us avid readers what we want to see. Don't get me wrong; your magazine is great. I like the *Erotic Entertainment* and the jokes. Keep up the good work. — D. G. Wabeno, Wisconsin

## Horny Beaver

I just bought the Holiday Issue for 1995. The layout of Jason and Kianna (*Jason and Kianna: Island Hop*, Holiday Issue 1995) is exquisite. The penetration shots look so lifelike, and the cum-shot is beautiful. I am anxiously awaiting the day when I can see actual cock-in-mouth shots! I also enjoyed rubbing myself to a delirious climax over Claudia and Jessica (*Claudia and Jessica: Thumbs Up*, Holiday Issue 1995). Those beautiful girls deserve two thumbs up, especially for the handstand! I am very interested in posing for your *Beaver Hunt* contest, but I have a question: Do you accept *Beaver Hunt* photos with more than one Beaver?

— B. J. C.  
Louisville, Florida

*The more Beavers the better, B. J. C. As for those actual cock-in-mouth shots, look real hard, and you just might see one today.*

## Hard Put Hard Timers

As if doing time weren't hard enough, the Department of Corrections [DOC] in Washington state has come up with another new policy: No more pornographic magazines allowed into the various institutions statewide. All porn must be sent to the DOC in Olympia and viewed for content by DOC staff administrators. Even if they see censored little photos in the advertisement section of any magazine, the magazine is to be destroyed...period. Spending tax dollars on a Porno Review Board seems pretty fucked up.

— Pissed Off in Prison  
Washington State Penitentiary  
Walla Walla, Washington

I am currently incarcerated in the Arizona Department of Corrections facility in Florence, Arizona. I am also a subscriber to HUSTLER, or I was. The January 1996 issue was deemed to be contraband for the following reason: "shows penetration." I have received your magazine at two other units without any problem, and it sure helps to pass the time. However, since being transferred to this unit, I have come across a memo from a deputy warden, which states: "I will be reviewing all sexually

oriented magazines and making the determination as to their admissibility into the units. Inmates may not like this activity, but it will be consistent." It's okay for this asshole to check out the babes, but not for the inmates. This asshole is circumventing the First Amendment without regard to what is or is not legal. I would like to know who made the prick God and gave him the right to tell me what I can and cannot read. My final thought is for the deputy warden who wrote this memo, and you know who you are. Fuck you, asshole! — D. B. Florence, Arizona

*If kids need one more reason to fly right and stay out of jail, you've just given it to them. We hope to get HUSTLER back to you again soon.*

## Primed for Penetration

I, along with every other HUSTLER reader, thoroughly enjoy your couples spreads, be they girl/girl or boy/girl or girl/boy/girl. They are all fucking fantastic. I have one question, and it has already been asked a couple of months ago. If that shitty *Penthouse* can show oral penetration by a hard cock, how come you don't? You are Number One. Don't let

### Russian Roulette

*FULLY ERECT. Directed by Peter Davy and Jean Pierre Ferrand; starring Victoria Paris, Houston, Valeria, Tiffany Million, Keisha, Marc Wallace, Alec Metro, Mike Horner, T. T. Boy, Dick Nasty, Blake Mitchell and Nick East. Videocassette: Nitro.*

Hail Houston and the brutally honest sex appeal of her choad-friendly face that says just one thing: "Fuck me, fuck me, fuck me." With lips wide enough to suck a sausage truck, high cheekbones, and a voice that descends into a kittenish, gonad-sizzling growl, Houston glamorizes every scene she appears in with sex appeal that is high-class and sleazy. Dressed as a pilot in an airplane hangar, Houston finds a studly co-pilot, blows his skin balloon, flies it into her furry meat heaven, then brings it out for a facial landing, where it unloads ball ballast beneath her serene blue eyes. A cocksucking blonde cries "pookie" when Dick Nasty sticks his nose up her twat, followed closely by his dong. Mike Horner loses his tongue somewhere between the tits and the twat of an auburn-haired slut with gigantic jugs and skin the color of cognac, before moving on to a contest of hide-and-seek played by his cock and her face. Grinning Nick East slams his dong into squirming blond poon as her jaws work overtime feasting on a tube steak. Girl-gash pileups, a couple of mini gang-bangs and high production values counterbalance the movie's lows: a dearth of DP's, poon-to-poon scenes that occasionally seem rushed and, disturbingly, a camera that at times ignores the bitches in favor of long, worshipful shots of the dudes. Fortunately, there's Houston. Unfortunately, she will never be considered by the Academy of Motion Picture Arts and Sciences for her performance in this film. She may not get an Oscar, but she gets HUSTLER'S wiener, and it's fully erect.

—Evan Wright

RUSSIAN ROULETTE: Horner bows to big titties.

RUSSIAN ROULETTE: Blonde meets T. T. Boy's bone.

## Boob Town

*THREE-QUARTERS ERECT. Directed by Bud Lee; starring Taylor Hayes, Nicole London, Brittany Andrews, Holly Body, Olivia, Crystal Gold, Whitney Wonders, Steven St. Croix, Tom Byron and T. T. Boy. Videocassette: VCA.*

*Boob Town:* The streets are paved with blondes, the poons are always open, and tiny tits are against the law. If penises could dream, *Boob Town* is what they would dream of. As a stand-in for the dreaming cock, this film presents Steven St. Croix. St. Croix encounters a trussed-up blonde hanging from a swing. Her face remains impassive throughout St. Croix's penetrations of her head hole and snatch—a hint that she's dreaming too, but probably of a quiet night sleeping at home alone. St. Croix then dreams up the sneer of superiority that accompanies Nicole London's face, and has Olivia cut her down a peg or two by cramming chrome dildo between the blonde's pouting cunt lips. Olivia gets her sexual comeuppance from T. T. Boy's man-sized member applied deeply and frequently to her turd hole, before cigar-puffing Tom Byron takes on two labe-munching blondes and treats them both to a sperm bath. The night isn't over until London gets her poon pried open again, this time from strap-on-wielding Brittany Andrews, and, finally, St. Croix takes pot shots with his pecker at two brunettes whose jumbo breasts threaten to burst the city limits. *Boob Town* is a dream that no dick will sleep through, but it's like a dream half-remembered with some of the pieces missing; pleasant, but not satisfying.

—Mack Assarian

BOOB TOWN: Crystal Gold slings twat to St. Croix.

BOOB TOWN: Boy's penis consults with Olivia's anus.

## Sleeping Booty

*HALF ERECT. Directed by Patrick Collins; starring Alisa, Susi, Tunde, Veronica Lane, Danielle, Lana Sands, Mary, Julia, Stefania Sartori, Christy Lake, Arianna, Roscoe Bowltree, Francesco Trulli, Luc Wilder, Mike Foster, Wilde Oscar, M. C. and Claudio Meloni. Videocassette: Elegant Angel.*

Director Patrick Collins has brought to screen some of the most wad-friendly ideas in the history of porn films, but the premise for *Sleeping Booty* is not among them. Let's say a chick is asleep. She's lying on top of the covers, most of her clothes off, maybe a pair of pristine panties bunched up enticingly in the crack of her puffy butt. So far, so good. Next, a guy comes in and hovers over the snoozing cooze. He runs his hands along her slumbering limbs, gently strokes her drowsy, downy buns, then fucks her up the ass really goddamn hard. And the bitch never wakes up! Consider the implications. Most chicks are considered good fucks based upon the degree of activity they display during sex. If one chick can snore right through a brutal sphincter boring, what are we to believe about another squack's performance as a frenzied fuck fiend? All female joy in jizz becomes suspect. Furthermore, if only the dude is awake during a filmed heterosexual encounter, then the viewer sees primarily dude, which perspective appeals only to the gays hidden in our midst. *Sleeping Booty* must have sounded like a good idea; about half of it is.

—Christian Shapiro

SLEEPING BOOTY: Sleeping slattern plays peekaboo.

# GIDGET

## THE LITTLE CUNT THAT COULD

Harold W. Ramsey's big find.

Don't call her midget or portafuck; she's a little person—100 percent female, orifice-complete—a charming tiny lay named Gidget. Though she's just four feet small, Gidget has never been short on humor, intelligence and, she admits, a raging sex drive.

Some people may remember Gidget from the series of photographs and postcards, created by photographer Harold W. Ramsey, in which she appears dressed as an infant in swaddling clothes, proving that big people still find little people funny and that some little people, such as Gidget, can laugh about it all the way to the bank.

More recently, Gidget starred in Filmco's XXX, big budget, little-person video *Midget Goes Hawaiian*. Since its release in November, 1995, *Midget* has been a giant success (rumors that irate lit-

tle men at a Detroit video store rioted when the boxes were placed on shelves too high for them to reach have proved to be completely false).

Asked how she feels about being height-challenged, Gidget points out that, "the finest perfumes always come in the smallest of bottles."

To those who mock or ridicule her, Gidget merely wonders why, if she is big enough to satisfy any man she has ever been with, on screen or off, so many men have not been big enough to satisfy her. She notes that while people may stop and stare at her, as if she is a rare oddity, there are millions of midgets in this country alone, the vast majority of which are kept hidden away in men's trousers.

She considers a four-foot-tall woman to be smallness-advantaged. A four-inch penis, however, is to her a true disability.

Tom Byron drives Gidget's econobox.

## The Panty Parlor

*HALF ERECT. Directed by W. Bosley DeLongprez; starring Rachel Love, Sahara Sands, Kimberly Kupps, Cassamora Curves, Whitney Wonders, Randi Storm, Bobby Vitale, Alex Sanders, Kyle Stone and Jake Williams. Videocassette: Visual Images.*

Anyone with a modicum of puerile, prurient intelligence can predict that setting up a camera to follow the employees and customers of a lingerie shop will result in video footage of fucking—some of it inspired, some of it rote, some sexy, some just sweaty, much of it heterosexual, the exception being chick-on-chick, and all of it in cheap-ass, tacked-up settings. This succinctly describes the premise and action of *The Panty Parlor*, leaving out only the detail that most of these broads have bigger-than-life bosoms, the best of which

sways in waves of mammary flesh from the front of pretty pussy Rachel Love. No, *waves* is not the right word. Tides better conveys the flows of Rachel Love's chest, and a full moon probably tugs them up higher, just as the lunar pull influences the motions of other massive, natural bodies of organic wonder, which is what Rachel Love's tits are. Rachel Love gets fucked in *The Panty Parlor*, on her back, and the movie's producers realized the flick would need nothing more to recommend it.

—C. S.

PANTY PARLOR: Putting mayonnaise on a Sahara Sandwich.

## A Girl's Affair

*HALF ERECT. Directed by Dan DePravo; starring Felecia, Jill Kelly, Kylie Ireland, Sindee Coxx, P. J. Sparxxx, Tera Heart, Leanna Foxxx, Dallas and Patricia Kennedy. Videocassette: Fat Dog Productions.*

A couple of sluts are sitting on a couch, watching a TV that the *A Girl's Affair* viewer never sees. One of the snizzes is blond; the other is brunette; together they set the tone for most of this one-on-one, lick, finger and pussy-hump lesbo show. Aside from its six-girl group grope in which the chicks split into a four-hole chain and a carpet-munching couple, *A Girl's Affair* presents one pair of twats after another, each with a dark-haired cunt climbing on a flaxen-haired sister, all with decorous, polite tongue-to-pussy interplay. Nothing rude, no fistings, anal strap-on proddings or skin-coating sheens of slippery, sexy oil and the depravities attendant to such full-body lube. In short, *A Girl's Affair* is for pussies.

—C. S.

## What's Up, Tiger Pussy?

**FULLY ERECT.** Directed by Teri Diver and Tom Elliott; starring Brittany O'Connell, Kaitlyn Ashley, Micki Lynn, Patricia Kennedy, Morgan le Faye, Marilyn Martin, Missy, Sahara Sands, Mike Horner, Steve Drake, Ron Jeremy, T. T. Boy, Vince Vouyer, Jay Ashley, Daphne, and Ralph Parfait. Videocassette: VCA.

Black-hooded ninjas chase Mike Horner down a dark alley into a car containing Brittany O'Connell, whose ample, wide-apart, conical boobs are among the finest ever formed by the hand of God. They fuck on the car's roof like two kittens at play—biting, pawing, teasing—until Horner blows sperm high into the night sky. Hot and nasty? Two of the most overused words in the adult-film industry, but in this top-notch, bitches-a-plenty, cock-grabbing XXX film, no other words will do. A baby-face blonde with a barracuda smile (Kaitlyn Ashley) uses her filthy mouth, clinging cunt and bad-ass butt-hole to grind cocks of all sizes into submission, sucking out every last seed. Humorous, sexy, bizarre vignettes give respite from the hot-and-nasty, but this film's sex is so good, the viewer doesn't notice if there's a plot. Sorry, animal-rights activists, but *Tiger Pussy* is bound to leave a trail of choked chickens in its wake.

—E. W.

TIGER PUSSY: Kennedy's got Boy on the tip of her tongue.

CRY BABY: Kaylan Nicole soothes Serenity's snatch.

## Cry Baby

**HALF ERECT.** Directed by Frank Marino; starring Kaylan Nicole, Serenity, Melissa Hill, Tera Heart, Jon Dough, Steven St. Croix and T. T. Boy. Videocassette: Cal Vista.

Serenity's puffy cunt lips get a tongue lashing from Kaylan Nicole in the first scene of *Cry Baby*—the story of psychiatrist Jon Dough's quest to collect tears from his patients and drink them to cure himself of demented visions of sluts whispering, "touch me, touch me, touch me." Emphasis is placed on sperm-guzzling ginches rather than on Dough's thirst for teardrops. With a grippable ass, plump tits on a slender rib cage and fat lips that turn down in a wicked sneer when she fucks, Kaylan Nicole deserves the box cover she gets on this film. She also deserves to get fucked a hell of a lot more. T. T. Boy wraps his hands around her slender waist, picks her up and plops her hole-first onto his cunt spear. Minutes later, Nicole unhooks her hole from his dong and kicks him out in an apparently *scripted* moment of coitus interruptus. Dough gives the feisty wanton the penis beating her pussy deserves, followed by a sperm spray to her butt, which is good, and Steven St. Croix does a nice job filling up a Brunette's navel with cum drops, also good, but then the film ends, which is bad. Nice nookie, nice scenes, but not enough.

—M. A.

## John Leslie's Dirty Tricks Number One

**THREE-QUARTERS ERECT.** Directed by John Leslie; starring Candy Apples, Lana Sands, Ariel Daye, Lexi Leigh, Kirsty Waay, Kim Kataine, Channone, Selena, Sean Rider, Steven St. Croix, Mr. Marcus, Jack Hammer, Blake Palmer, Kyle Stone, Warren Scott, Bobby Vitale, Guy D'Silva and Vince Vouyer. Videocassette: John Leslie Productions.

According to the *Dirty Tricks* box copy, "Pussy costs money! Cock costs money! Ass costs money! How much do you want to pay?" One bleach-blond, pro-ass pussy swabs a bulging cock with her tonsils, sops his semen with her tits and takes thick squirts of jizz on either side of her face from two of his pals. A long, short-haired brunette's formidable butt sways mobile and independent like a big, firm hind tit when she humps it above a straining crank with a back-up rod in her face. A basketball-playing bone man reams a pair of stuck-up, tight chick rectums outdoors, right under the eye of God and everyone. A blonde with broad, easy curves takes a straight dick pitch from a pitch-black brother and his pale-face partner's prong. A foreign brunette is slinky and semen-siphoning in two testicle treats spliced into one wad-blasting segment, and an old, bald, gray bastard fucks two good-looking girls. All action is edited with an eye toward fast-paced, lush, fleshy, tight-view, full satisfaction. Anyone who pays the going rate for *Dirty Tricks* will take home a meat-beating bargain.

—C. S.

DIRTY TRICKS: Blonde's bases are loaded with two at bat.

# NEW CUNT ON THE BLOCK DOING WHAT COMES

# NATURALLY

Like all careers truly worth working for, becoming a porn star is tough for the spirited, young, unbridled bitch just starting out. First off, she has to suck a lot of dick. Then, everybody fucks her.

The rewards are excitement, money, stardom and the fact that everyone who hasn't fucked her wants to.

Starting out as a beautiful nobody just a year ago with no experience on film, Houston's star now shines brightly in the firmament of the flesh industry.

Her secret to success: "Do what comes naturally and stay out of other people's light."

With the release of Nitro's big-budget, XXX feature *Russian Roulette*, in which Houston has the starring role, it's now everybody else's turn to stay out of her light.

Houston's success proves to aspiring, young porn starlets everywhere that the dream is possible. To those who seek stardom, the message is clear: Keep your knees on the ground, and keep sucking until you see stars.

Houston shoots for stardom.

THE F-ZONE: Sterling blows bubbles in Jameson's twat.

## The F-Zone

*HALF ERECT. Directed by Jim Enright; starring Nici Sterling, Kylie Ireland, Rebecca Lord, Jenna Jameson, Kim Kataine, Peter North, Alex Sanders and Steven St. Croix. Videocassette: Wicked Pictures.*

Most freaky, haunted houses are inhabited by ghosts or Frankenstein monsters; others are inhabited by Rebecca Lord in fish-net stockings getting her crotch chewed by Alex Sanders. Nici Sterling discovers this the moment she and ever-jizzful Peter North wander into the *F-Zone* mansion. What is the *F-Zone*? It's a force that makes people lose all inhibitions and get really horny—not unlike happy hour, except here, unlike the local bar, the gash is all top-notch, and the only two beverages available are jizz and clam juice. North serves up buckets of the former to Rebecca Lord, smearing her snootily upturned tits in a thick, rippling glaze of ball syrup, while Jenna Jameson serves as clam-juice cocktail hostess in a lesbian lick-off with a dildo-wielding brunette. Most of the action centers on muff-diving chicks, punctuated by such heterosexual moments as Rebecca Lord straining every muscle in her exquisite little French slattern face in order to harvest ball seed from a ripe dong. The only thing wrong with this film is there's not enough of it. *The F-Zone* gets an F for length.

—M. A.

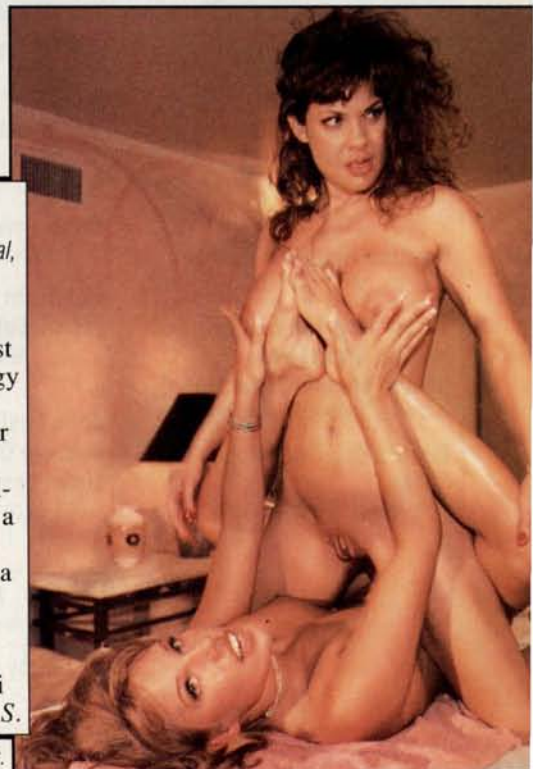

## Encore

*HALF ERECT. Directed by Fred Lincoln; starring Teri Weigel, Asia Carrera, Anna Malle, Shelby Stevens, Jen Teal, Marc Wallace, Vince Vouyer, Nick East and Tom Byron. Videocassette: Vivid.*

"Look who screamed into town," screams the box copy of the Teri Weigel *Encore*: "With her first DV-DP!" The prodigal Weigel is indeed a "Vivid Big Event," as the glossy hype claims, but not too big. High-end sexual object Teri Weigel is no longer a whippet-thin personification of pin-up tits-and-ass perfection, yet she's still a bucket of lard shy of resembling a puffy biker mama swollen with the weight retention of a methadone metabolism. Although Weigel's tits may have been pumped up another double-cup size since her last video appearances, the bloat is mainly

centered around her face, with penises seeming to plump up until ready to burst every time they get near her pouty, piggy lips. Like Weigel, *Encore* sucks well enough: A perfectly serviceable outdoor plug of limber, little dragon lady Asia Carrera is thrown in, along with a desultory cunt munch of a black-hair slut by a sag-ass stud. Weigel wallows with a woman and gets fucked twice, once on a restaurant table by Tom Byron and the last time with two chubbies wiggling simultaneously in her trim. After *Encore*, we're ready for even more Teri Weigel, and that's a compliment. —C. S.

ENCORE: Jen Teal wiggles Weigel's whammies.

# Kinky Debutante Interviews Volume 9

HALF ERECT. Directed by Insatiable Felix; starring Gina Delany, Gina Rome, Tommy Gunn, Warren Scott, Trentt, Red, J. D. Ram, Valentino and Kyle Stone. Videocassette: Inner View Video.

The packaging of *Kinky Debutante Interviews Volume 9* promises that a full-length feature is inside. *Kinky Deb Vol. 9*'s filler is Gina Delany, a reasonably attractive, fully grown woman who is slightly oily in the complexion, moderately long in the tooth, a little horsey in the face, somewhat fried in the hair, noticeably skimpy in the chest, and real gooeey in the gonads. Delany is the continuous focus of *Interviews Volume 9*. The tape opens with chatting, akin to sitting down for coffees with a streetwalker before she siphons wad in the front seat of your car. Delany goes

solo through a box of dildos. Plugging rubber prods into every one of her holes, she runs out of variety after three insertions. Decent-looking indecent Gina Rome joins Delany for snatch play and strap-on buggery, then seven mooks gather to poke Delany. The dudes heave into the slut two at a time. Spare rods are seen bored, slouched, stroking dick in the background, wishing they could go out for a cigarette, which is what the viewer did, thinking: *Why would I watch a bitch on video for more than 90 minutes when I'd be done with her on the street in less than 20?* —C. S.

DEBUTANTE: Brunette on boff-stick bender.

## Tropical Taboo

HALF ERECT. Directed by Tony Maredino; starring Tabitha, Channone, Blake Mitchell, Lovette, Frankie Lane, Ron Jeremy and Devon Shire. Videocassette: Hollywood Premiere.

Ever wonder how a XXX film would look if it were made with Mr. Howell as producer, the Professor as cameraman, the Skipper directing and Gilligan as production assistant? Pump several quarts of silicone into Ginger and Mary Ann, throw in a few blondes, and the result would be something like *Tropical Taboo*: a pleasant, fun-spirited island picture shot mostly outdoors in beautiful, watery locations around Hawaii. An island bitch with fat lips lies back on a rock and slaps her clit, while a balding stud—whose hair deficiency is made up for by a surplus of cock cir-

cumference—pries her sphincters open and takes her turd rings for a spin before whipping up an impromptu cream sauce for her clam. Ron Jeremy ass-fucks a round-face blonde, resting his pot belly on her ass and tooling her from behind. Waterfall locations serve as backdrops for other butt poundings, as well as a sunny interlude of lezzies finger painting each other's genitals with spit. Unlike the passengers and crew of the *S.S. Minnow*, there's no hurry to leave this island, but, unfortunately, *Tropical Taboo* leaves the viewer a couple of scenes short of a higher rating. —E. W.

## HUSTLER Head

I've finally decided to write after years of erections and silence. I find myself in the middle of a dozen HUSTLER models. The fantasies are coming hot, hard and heavy. After several years, I have to tell someone. From the first pictorial, I was and always will be a HUSTLER head. I will remain a fan of your publication for as long as the standards of excellence preside. Anybody who's followed your mag has full knowledge of where Larry Flynt stands on any point of substance. But for the next generation of HUSTLER heads, you might rerun a few choice selections of words from the Publisher. I state one more time that ever since I've mastered the formula  $Erection + Ejaculation = HUSTLER$ , I have yet to be disappointed.

— K. C.  
Muncie, Indiana

*The new generation of HUSTLER heads is highly computer literate, and they can catch up on their Larry Flynt history by checking out HUSTLER Online. Point a web browser to <http://hustler.onprod.com> and get filled in.*

## Loves Us, Hates Us

I'd like to thank the people at HUSTLER who are responsible for the *Erotic Entertainment* section in every issue. You have no idea how much time and money I save simply by reading the reviews. Your reviews are always accurate and to the point. I never end up renting a bad porn tape. I also like the articles that appear in this section about news from the adult-entertainment business, new porn actresses, and future films to look forward to. My only complaint is about the asshole critic who constantly talks shit about Nina Hartley. She's been referred to as an old fuck and a relic. Hey, man! Fuck you! Ms. Hartley is still hot, and she's still got it. I make it a point to see her films and always go out to see her perform live onstage at the Mitchell Brothers in San Francisco when she's in town. She packs the place and, after her performance is through, she has the audience begging for more. That critic of yours

better not talk any more shit about Nina Hartley (or Jade East or Alicia Rio) or you'll lose a loyal reader.

— E. H.  
Richmond, California

*Ms. Hartley surely appreciates your loyalty, and so does HUSTLER. We hope that you will never be forced to choose between the two of us.*

## Smooth Mover

I have been an avid reader since the very first issue. I had every one until my house burned down. My collection is growing once again. As always, the girls are beautiful, and I love the way they

spread their gorgeous pussies while they smile at you. All the shaved and trimmed pussy does me good as I have been shaving my dick for ten years. It sure feels good, and the girls fuck even better. Keep up the good work. Got to beat my meat. Sincerely yours,

## DONKEY DONG

I met my husband, Jerry, at a donkey show in Tijuana. When our eyes locked amid the smoke and clamor of the crowd, it was truly a case of love at first sight. Jerry's furrowed brow and look of concern convinced me he was the only guy there sensitive enough to give a damn about the welfare of the *senorita* onstage. I adjusted my D-cup hooters under the flimsy fabric of a tight, black slip dress, ran a hand through my luxurious mane of midnight hair and approached the man who would become my betrothed a mere two hours later. At the time, however, he was simply a good-looking, well-built side of beefcake I intended to dignify with the taste of my tang.

"I think this brand of so-called entertainment is simply beastly," I cooed, blocking Jerry's view with my cleavage. "That poor woman!" To my surprise, the handsome, serious-looking hunk pushed me aside in irritation.

"Forget about that two-bit whore," he growled. "I'm a veterinarian, and seeing an innocent animal exploited in such a cruel manner sickens me." I hoped I could make more than Dr. Doolittle's gorge rise. I started by leaning in close enough for him to smell my gentle musk perfume over the general stench of sweat and dung.

"At least that dumb mule looks like he's having fun," I whispered, lifting the hem of my dress to reveal a clean-shaven, panty-free pussy. "Do you know what to do with your horse cock, big burro?" The tent Jerry pitched in the crotch of his chinos was the only reply I needed to fall to my knees and administer mouth-to-lap resuscitation. Ignoring the sombrero-shrouded stares that filled

the filthy warehouse, I tugged at his zipper until the erect member popped out like a mouth-watering jack-in-the-box. My long, loving tongue strokes spit-slicked the earthy-smelling wang, and a few deep sucks added new rigidity and girth to an already impressive appendage.

As I proceeded, the crowd's attention turned to my loving inhalation of Jerry's eight-inch shank. With the eyes of 200 unwashed onlookers seeming to caress every inch of my body, I grew so excited that I hardly noticed how roughly Jerry was pulling my hair. He was fucking my face so hard, I feared ball-burn on my chin, if not a few broken teeth. Visions of dental bills were quickly drowned by the flood of wetness between my legs. I craved his cock in the deepest recesses of my velvety vage.

Spitting out the meaty mouthful, I moaned, "Give it to me like that stud onstage!" Jerry pushed me onto all fours, mounted my firm rump and sadistically teased my pussy lips with the barest tickle of his dick's tip. The

agony of waiting for his first, snatch-searing thrust was only increased by the pry of his saliva-soaked fingers into my bung. My asshole seemed to stretch open as wide as the eyes of our audience, many of whom dropped their pants and began beating their *chorizos*. The rest were throwing pesos into a circle on the dirty floor.

"What the fuck are they doing?" I asked Jerry between panting and groaning. "Trying to buy sloppy seconds?" His manhood burrowed into my sopping love tunnel, and the orgasmic ringing in my ears nearly deafened me to his response.

"You've heard of cock-fighting," he gasped, swiveling his hips into rhythmic fuck mode. "The aficionados call this cock-and-pussy fighting. They're betting on which one of us will come first." He patted my bum affectionately, then started spanking my bum cakes so hard I thought he'd smuggled in a riding crop. A whip would have helped onstage; the donkey was braying and stomping uncontrollably. Even he wanted a piece of my beautiful, bare ass.

Meanwhile, Jerry was doing his best to see that I lost our little "cock and pussy" competition. He reached under and danced a finger against my clitoris with a delicate touch that perfectly complemented the brutal cunt-stuffing. I struggled to suppress climax-spasms that seemed to emanate from the pit of my stomach, and directed his talented hands to my flopping breasts. Just as I'd hoped, Jerry took to my nipples with the same soft urgency, then mashed all my tit meat together at once. He was digging in tight, and seemed to be bracing himself for one whopper of a spurt.

To my shock, a young, good-looking Mexican emerged from the audience of lowlifes. He was shirtless, revealing rippling biceps on a wiry frame—not to mention a toasted brown wang even bigger than the one crammed between my legs. As he approached, a cry of "El Toro" rose from the crowd. The long-johned Latin arrogantly waved his pecker at the admirers, to much applause.

"Must be the local champion," said Jerry through clenched teeth. Sure enough, El Toro entered the fucking fray by firmly planting the first few inches of his salty dong in my mouth. I suckled vigorously, thrilling to the way Jerry picked up ramming speed. His entire cock was sloppily stabbing the innermost walls of my uterus, and the

# Hot Letters

I swabbed the sides of his root, just like the matador waving a red cape at his prey. Then I moved in for the kill by stabbing his pisshole with my tongue tip, followed by brisk, noisy sucks.

painful ecstasy had me chomping El Toro as my bit. The tall lothario didn't seem to notice.

"Bite it off if you want to, baby," leered El Toro. "I can hardly feel a thing. That's why El Toro is always the last to come—and the first to take the prize money!" His boast was met by whoops, hollers and *andele, andele*.

What a cocky bastard, I thought to myself, and I didn't just mean the ten inches snaking down my gullet like a rock-hard Roto-Rooter. I was determined to show the big bull a thing or two about how women suck dick north of the border. Using every ounce of discipline in my lower regions, I stopped frantically grinding ass against Jerry's abdomen. He got the hint and slowed down to plunging at a turtle's pace. Unexpectedly, the long, patient strokes set off my climax. As wave after wave of orgasm consumed my body, I did my best to focus on the task of getting El Toro off.

I employed the blowjob technique that had made me the most popular girl of the boy's locker room in high school. First I swabbed the sides of his root, just like the matador waving a red cape at his prey. Then I moved in for the kill by repeatedly stabbing his pisshole with my tongue tip, followed by brisk, noisy sucks. El Toro shuddered, and I knew I had him by the balls. That's when I decided to literally grab the rumbling *huevos* that slapped against my chin. My now-quivering victim threw his head back in agony as each yank threatened to make the bull into a steer.

"Ay carumba," El Toro exclaimed. "This crazy American bitch is going to make me...." He fell into wordlessness as he withdrew his choad from my throat, aimed it at my face, and dribbled out a few pathetic squirts of spunk. A shocked hush fell over the room; even the donkey seemed to be silently shaking his head at El Toro's measly load.

Triumphant, I uncorked Jerry from my hole and vigorously jacked his wood into my face. He grabbed the back of my head for leverage, howled and blew out a massive flood of scum. Semen flew in every direction, bubbling over my lips and spewing down over my erect nipples. Then ropier bursts lashed my cheeks, flew up my nose, and finally settled, frosting my neck. By the time Jerry's fingers unclenched from my scalp, I looked like a street mime in sperm makeup.

I screamed, "We won!" and leapt up to shower Jerry in triumphant kisses. He

recoiled in horror. Most guys act that way when you shove a cum-crusty tongue in their mouths, but Jerry had bigger worries: The crowd had turned into an angry mob. Guns and knives were pulled out of sombreros, while El Toro was being helped out of the donkey-dung pile he had collapsed into.

"Take your money, gringo," spat an angry-looking bandito. "Then climb on that burro and ride out of Tijuana by dawn. Or else...." He dragged a single finger across his neck.

Jerry and I used our winnings to pay off a padre in El Centro. He married us on donkeyback. Ain't love grand? —H. K.

San Diego, California

## BITCH BANGING BINGO

My auto club pals are always whining about how hard it is to find good pussy. Let those crybabies go crochet each other a big dollhouse to live in. I'm too busy searching out the scrunt in places most guys wouldn't even deign to look: Synagogues, fried-chicken stands in black neighborhoods, *Star Trek* conventions—I've driven everywhere on my own personal beaver hunt, and I've always come up wet and smiling. I'm what you'd call a visionary. For my lat-

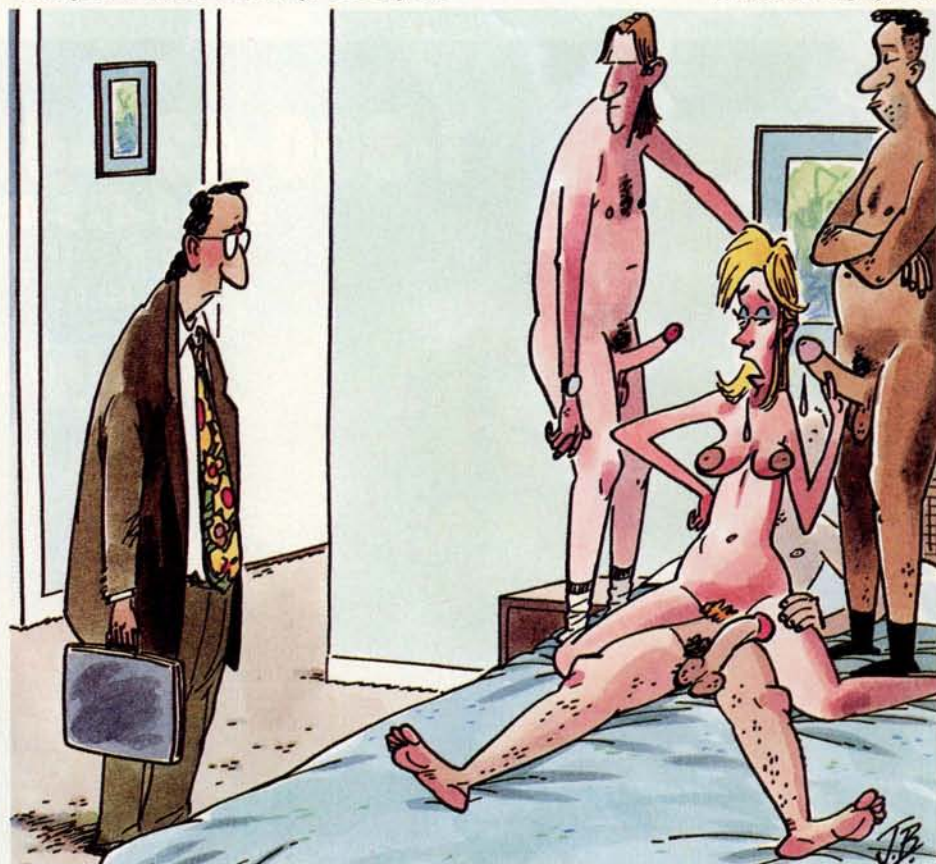

est scam, however, I truly outdid myself.

I got a job calling bingo for a local church group. After rigging up a few fixed bingo cards, I was taking home a different broad every night. Sure, most of them had to put their Depends undergarments back on afterward, but at least I wasn't sitting around in an after-hours circle jerk at the garage. In fact, I soon swore by gray pubes and toothless blowjobs—until a gorgeous, stacked young blonde walked her perfect ass into the bingo hall right as I was calling out "I sixty-nine."

"You do?" she asked. "I'd like to see that." The bingo biddies tittered naughtily, the way they do when I first pull out my shvanz. Who was this curvy, pale-skinned vision in a leather miniskirt? She must have been some old bag's daughter, here to drive her mother home in the torrential rainstorm outside. Whatever the smart-mouthed ice goddess's intentions had been when she left the house, she was about to get soaked in a downpour of an entirely different kind.

"Sorry, ladies," I announced. "Bingo has been called off for the evening due to the extreme weather conditions. If you could all please leave the auditorium

# Behind the Scenes at A **HUSTLER** BOARD MEETING

GENTLEMEN,  
I'VE CALLED YOU HERE  
TODAY TO DISCUSS THE FUTURE OF  
**HUSTLER**. WHAT YOU'RE LOOKING AT IS A  
TYPICAL EXAMPLE OF THE MAGAZINE'S  
VULGAR PAST. DOUSING NAKED, QUIVERING  
FEMALE BODIES IN SEMEN FOR THE SAKE OF  
PRURIENT INTEREST IS INDICATIVE OF HOSTILE  
AND DEGRADING ATTITUDES—AND IT'S  
DOWNRIGHT MESSY. FROM NOW ON,  
**HUSTLER** KEEPS IT CLEAN; WET  
SHOTS WILL NOT BE  
TOLERATED!

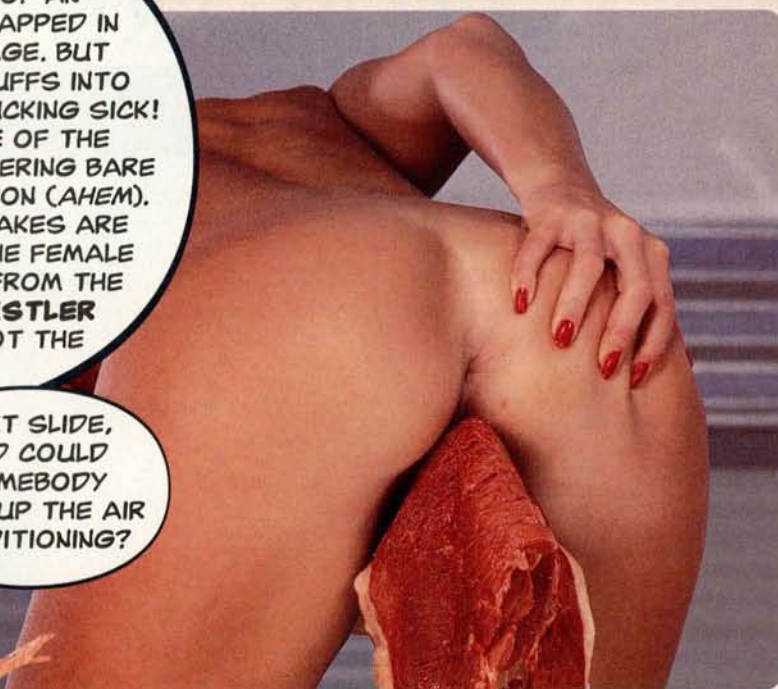

NEXT  
SLIDE,  
PLEASE.

A MORBID FASCINATION WITH THE FEMALE BACKSIDE IS TYPICALLY THE PRODUCT OF AN ADOLESCENT MENTALITY, TRAPPED IN THE ANAL-COMPULSIVE STAGE. BUT INSERTING VARIOUS FOODSTUFFS INTO WOMEN'S RECTUMS IS JUST FUCKING SICK! GRANTED, THESE ARE SOME OF THE ROUNDEST, MOST MOUTH-WATERING BARE BUTTS I'VE EVER LAID EYES UPON (AHM). HOWEVER, PERFECT POUND CAKES ARE NO EXCUSE FOR VIOLATING THE FEMALE BACKSIDE WITH LEFTOVERS FROM THE FRIDGE. IN THE FUTURE, **HUSTLER** TAKES THE HIGH ROAD—NOT THE OLD DIRT TRAIL!

NEXT SLIDE, AND COULD SOMEBODY TURN UP THE AIR CONDITIONING?

THE SQUEAMISH  
AMONG YOU MAY WANT  
TO AVERT YOUR EYES FROM  
THE SIGHT OF POOR, INNOCENT  
NUDE MODELS BEHAVING LIKE  
DOGS IN HEAT. WHAT KIND OF  
DISTURBED MINDS FIND SUCH VILE,  
REPUGNANT DISPLAYS OF PHOTO-  
GRAPHIC MISOGYNY APPEALING?

EFFECTIVE IMMEDIATELY,  
**HUSTLER'S** PICTORIALS WILL FEATURE  
FULLY-CLOTHED WOMEN ENGAGED IN  
UPLIFTING ACTIVITIES, SUCH AS  
PRAYER MEETINGS, CHARITY  
WORK AND TEACHING  
INNER-CITY YOUTH TO READ.  
IN CONCLUSION,  
GENTLEMEN...

A woman with blonde hair is crawling on a light-colored carpet. She is covered in a white, creamy substance, possibly whipped cream or frosting, which is dripping down her front. She is wearing a dark bikini top and high heels. In front of her is a pink toilet seat on the floor, with a stack of pancakes on a red plate inside it. To her right is a yellow plate with meat. A black dog is sitting to the left, looking at the camera. A speech bubble in the upper right corner says "APRIL FOOL!". The background shows a bookshelf and a globe.

Her face was frozen in an openmouthed, silent scream of total pleasure. The fiercer my lap-hammer pounded on her pussy, the more her eyes screwed up in agonizing bliss.

and wait for your rides; except you, Miss...."

"Cranston," responded the target of my raging hard-on's affections, a lewd smile creeping across her heavily madeup face. "Veronica Cranston. You can call me Ronnie." Her heavy breathing was audible even over the bitching and moaning of the senior citizens filing out to stand in the rain. The lust in Ronnie's eyes was just as obvious as the increasing smell of her excited loins.

"You must be Gertie Cranston's daughter," I said, slyly sliding a hand up her bare leg. "I banged her two weeks ago."

Ronnie unbuttoned my shirt and admitted, "I know. She told me." She covered my chest in gentle kisses, leaving lipstick traces all the way down my stomach. Before she could pull out the throbbing python that threatened to tear through my pants, I laid Ronnie down on the floor and stuck my head under her skirt. I hadn't tasted hot, juicy pussy in months, and I intended to savor every minute.

"Ooh, yes," she sighed as my tongue darted across the soft, puffy cunt folds. "You're making me so wet!" This chick wasn't kidding; my probing finger slid into her gash like a knife through hot snatch butter. Pretty soon she was bucking her hips and pulling at my hair as if she wanted to drag my entire body into her tight little hole. I turned my attention to sucking her clit, and felt pussy muscle clamp my finger like a vise.

"I don't want to come yet," panted Ronnie. "Stick your cock in me slowly." She frantically fumbled with my belt as I violently tore off her bra. We were completely naked within seconds, and my boner seemed to be pulled to her baby-smooth snatch like a magnet. I sank my first inch of prick into her wetness, and took one of her bright pink nipples into my mouth. She squealed in ecstasy and ground her crotch until I was buried to the hilt in vage. So much for wanting it slow. I pumped in and out with all the force my skinny ass could muster.

Ronnie used one hand to twist and pull at her left nipple, making the white tit meat underneath shake and shimmy. Her other hand struggled to stroke my nuts, although it must have been difficult with the rapid speed at which those churning testes smacked her ass. She didn't seem to have any complaints; as a matter of fact, Ronnie wasn't making any sound at all. Her face was frozen in an openmouthed, silent scream of total pleasure. To my excitement, the fiercer my lap-hammer pounded on her pussy, the more

her eyes screwed up in agonizing bliss.

"Now," Ronnie finally choked out. "Shoot that scum on me now, while I finger myself!" I pulled out and aimed toward her flat, toned belly. For a moment we both seemed to hang in suspended animation, as I pulled my pud and she fingered her labes at lightning speed. Then Ronnie screamed and shook in a violent orgasm as my jism coated her stomach. Before I had even finished spewing, she sat up and ingested my spasming member with her greedy mouth. The last few

cum drops rolled lazily off her lips.

I banged Ronnie a few more times that month, and even got her in a three-way with Gertie. But like I said, I'm a visionary. I had to move on to new frontiers. Besides, this job opened up at a home for mentally retarded people, and I couldn't pass it up.

# Fucking Scared

## The Fight for Sex Ed in America's Schools

By Don Vaughan

Restrictive attitudes in the name of so-called morality increasingly take the fun out of fucking.

Through good, old-fashioned homespun knowledge, hearsay, scientific facts and outright lies, this series strives to spread the word that rubbing uglies is a beautiful experience.

- A 15-year-old girl is told she's pregnant during a clandestine visit to a Planned Parenthood clinic in northern Florida. She confides to the doctor that she had sex with her 17-year-old boyfriend only once, but didn't use contraception because a friend had told her "you can't get pregnant your very first time." The girl didn't know any better because her parents, die-hard Southern Baptists, had pulled her out of all school sex-education classes.

- An 18-year-old Southern California high-school student develops AIDS after three months of unprotected sex with his 19-year-old girlfriend, a closet IV-drug user and former prostitute. They didn't use condoms, he says, because they didn't think they had to: Their relationship was monogamous, and his girlfriend was on the pill. He dies of AIDS-related pneumonia less than six months later.

- A 16-year-old girl in rural Georgia struggles daily to care for her 4-month-old daughter and continue her high-school education. The few sex-ed classes she had received in school warned her to wait until marriage to have sex, but offered little advice on how to protect herself if she didn't. The girl had hoped to be the first in her family to go to college, but will have to take a menial job instead, so her child can eat.

America's public schools have become a battleground over the issue of sex education—and the nation's young people are caught in the middle.

When properly taught, comprehensive sex education defines sex as a normal and healthy part of life and encourages young people to abstain until they're physically and emotionally ready, say analysts at the National Abortion and Reproductive Rights Action League (NARAL). Sex ed also provides information on the prevention of unwanted pregnancy and sexually transmitted diseases. Until a few years ago, such education was the standard curriculum.

Well-organized, right-wing Christian groups such as the Eagle Forum, Citizens for Excellence in Education (CEE) and Concerned Women for America (CWA) have actively campaigned to replace comprehensive sex education with programs that discourage young people from engaging in any kind of sexual contact until marriage—usually motivating this position through fear.

"Sex is a reality of life, and when properly used, it's one of God's greatest gifts to mankind," states Dr. Robert Simonds, president of the California-based CEE. "But when improperly used, it can be devastating, as shown by AIDS and other sexually transmitted diseases. We believe in teaching children that abstinence from sex until marriage is the only option available to rational people because of the risk of disease, and because it's morally right to wait until you're married to have sex."

Asserts Laurel Heiskell, legislative coordinator for the Washington, D.C.-based CWA: "Comprehensive sexuality education is like handing young people a loaded gun.

They're playing Russian roulette with their lives."

In the abstinence-only film *No Second Chance*, a student asks a nurse what might happen if the student has sex before marriage. The nurse replies: "Well, I guess you'll have to be prepared to die. And you'll probably take your spouse with you, and one or more of your children."

"Comprehensive sex-education programs emphasize abstinence," stresses Deanna Duby, director of education policy for the watchdog group People for the American Way (PFAW). "But that abstinence message should be accompanied by some other very important information about pregnancy and disease prevention."

Instead, a state-by-state review of sex education published by NARAL reveals the following:

- **Only 22 states and the District of Columbia require schools to provide both sex and STD/HIV education.**
- **An additional 15 states require schools to provide only STD/HIV education.**
- **Thirteen states do not require schools to provide either sexuality or STD/HIV education.**
- **Of the 26 states that require abstinence instruction, only 14 also require the inclusion of other information on contraception and disease prevention.**

The result, say PFAW and the Sexuality Information and Education Council of the United States (SIECUS), is a growing population of young people who are uninformed on important health and medical issues and unprepared to become sexually healthy, responsible adults. According to government researchers, more than one million teenage girls become pregnant each year, and 4 in ten of them have abortions. AIDS has become the sixth most common killer of Americans ages 15 to 24; yet HIV/AIDS education doesn't even begin until junior high or high school for most students.

Abstinence-only advocates condemn traditional comprehensive sexuality education for a number of reasons. One of the most common beliefs is that sex education encourages young people to have sex rather than teaching them to remain chaste.

"The major goal of nearly all sex-education curricula being taught in the schools is to teach teenagers (and sometimes children) how to enjoy fornication without having a baby and without feeling guilty," said Phyllis Schlafly at the start of her anti-sex education crusade in 1981. "This goal explains why the courses promote an acceptance of sexual behavior that does not produce a baby, such as homosexuality and masturbation."

"At this age level, kids are trying to figure out what is socially and sexually expected of them," states LeAnna Benn, executive director of Teen Aid Inc., one of the nation's largest creators of abstinence-only curricula. "[Comprehensive sex-education] programs give them the message that they are expected to perform sexually. If they weren't, why would they need condoms and other birth-control devices?"

# Sex Play

**"The religious right and the anti-sex forces put out these myths about what's being taught in the classes and say it encourages kids to have sex; so they get a lot of people jumping on the bandwagon."**

But researcher Douglas Kirby of Education, Training and Research (ETR) Associates found such claims to be false. In a 1994 report, Kirby notes that comprehensive sex curricula do not appear to hasten the onset of intercourse; rather, they either delay it or have no effect. He also cites a study that found that adolescent males who had received AIDS instruction engaged in fewer acts of intercourse and had fewer sexual partners than did those who had not received such instruction.

The Christian right also maintains that comprehensive sex-education programs are merely thinly disguised "recruitment tools" for homosexuality.

"Mention of homosexuality isn't necessarily inappropriate, but getting into it where they start showing kids how two homosexuals make love, I think that's where they go across the bounds," declares CEE's Robert Simonds. "That's when they get into pornography, and that's when they get into promotion—by exciting the kids and getting them interested in it so they will try it. Parents have told us that their children got involved [in homosexuality] just through what they saw in the classroom."

"Whenever you allow a promiscuous, immoral situation to exist as a basic component of the educational system, you are actually promoting deviant behavior," Simonds adds. "What you end up with is a faithless society where morals have no meaning. And anyone who knows history knows that every country that has declined into moral morass has also collapsed as a nation."

In Louisiana, a 17-year-old boy hangs himself after his classmates shun him following a lecture on the evils of homosexuality, part of their abstinence-only sex-ed class. A model student, the boy had made the mistake of telling a few friends he thought he might be gay. The note he leaves behind reads: "I can't change who I am."

Advocates of comprehensive sex education argue that most abstinence-only curricula pose a serious danger to America's young people because of the use of scare tactics, ignorance and misinformation.

"Kids are dying who don't need to die simply because they're not getting information," states PFAW's Deanna Duby. "Many abstinence-only programs spread gross misinformation. We have seen a lot of stuff about failure rates of condoms, for example, that seriously misinterpret research and data."

CEE's Robert Simonds, for one, maintains that "scientists tell us the best condoms have microscopic holes of five microns in diameter, while the AIDS virus is only .1 of one micron in diameter. That makes the condom hole 50 times larger

than the AIDS virus. 'Safe sex' teaching is condemning our children to death by AIDS."

According to the Centers for Disease Control and Prevention in Atlanta, however, latex condoms provide a very effective barrier to microorganisms and sperm. The study quoted by Simonds was conducted on latex surgical gloves—not latex condoms, which are made differently. In addition, glove standards have subsequently been improved to offer greater protection from the AIDS virus.

In Michigan, a group of high-school students called C.A.T.S. (Concerned About Teen Sexuality) often speak at public schools, where they host a mock game show designed to scare students out of having sex. One example: When a student offers the "wrong" answer that condoms can protect against STDs, he's told: "Congratulations! You've won HIV/AIDS! You're gonna die!"

Advocates are well-organized and not above playing on the fears of parents to further their agenda, say watchdogs.

"The religious right and the anti-sex forces put out these myths about what's being taught in the classes and say it encourages kids to have sex; so they get a lot of people jumping on the bandwagon," notes Deanna Duby. "We've seen school district after school district move to institute abstinence-only programs."

According to Duby and others, right-wing Christian organizations are infamous for packing local school boards with their own members. They place "stealth candidates" on ballots—usually without a single mention of their anti-sex agenda.

"In the past six years, we've elected 22,650 parents to school boards nationwide," brags Robert Simonds. "Our numbers are beginning to have a dramatic influence in the school system. That's why we're seeing an all-time high in resistance to [comprehensive sex-education] programs."

But according to SIECUS, at least nine out of ten parents are in favor of comprehensive sex education—they just aren't vocal about their support. The religious right, says Duby, take advantage of the apathy people have regarding their own community.

"The first thing people need to do is pay attention so they know when there's a challenge in their community," advises Duby. "Come to groups such as People for the American Way or SIECUS or Planned Parenthood. Attend meetings and write letters to the editor. Let people in the community know that there are other views out there. The religious right only get what they want because no one else is paying attention."

"Kids should have complete information, especially in these times when sex education is often a matter of life and death."

Giving All She's Got  
in Revenge for Getting

The Bitter Confessions of Unrepentant AIDS Carrier Caroline W.

Despair has many faces; one of them might be  
sweet, sexy, sliding its tongue along your cock.  
Her blood is hot with the taint of death.

# AIDS Girl

Five years ago, Caroline had slept with fewer than ten partners. Three years later, she was diagnosed with the virus that causes AIDS. Since then, she has had unprotected sex with at least 200 men.

Los Angeles, California, mid-1980s: Karl Bluck cannot believe his good fortune. His dry streak had run so long that he'd given up on ever getting laid again. Isn't that just the way things work?

Bluck walks down to the boozier for a few beers, no ulterior thoughts of pussy on his mind, not even looking at the tramps who adorn the bar. Karl bonds with his brew, casually watching the action on the pool table.

A wispy female voice at Karl's elbow pipes up: "That guy had a clear shot at the black ball. Why didn't he shoot for it?"

Karl turns toward the voice. Beneath billowy blond hair, a pair of teasing baby blues regard him with openness and mirth. She has just a little makeup on; enough to show that she'd be gorgeous with none. She prods Karl with an elbow that she lets linger beneath his ribs: "Is the black ball poison?"

"Something like that," answers Karl, seeing her tongue wiping beer foam from her upper lip, not realizing that she is mirroring him licking his own chops.

Karl's awareness blurs and sharpens at the same time. He's unclear about how they get to her car, but he's hyper-focused on the mounting ridges of her nipples hardening beneath the slinky fabric of her jersey. He can't say how they decide to

go to his place. Her mingled scents—perfume, pussy, armpits, beer, bar smoke—are distinct and separate, as if he were sniffing them through the nose of a dog.

Karl Bluck wakes up in the wee hours of Sunday morning. Unable to pinpoint where the sex began or ended, his mind is ablaze with fucking highlights. He rolls over and realizes with relief that the chick is gone.

Karl needs to piss. He pictures the blonde nibbling the length of his shaft; perfectly formed teeth marks in his flaccid penis are evidence that the fevered love bites were real and not a wishful hallucination. Bluck steps into the bathroom and wishes he had not looked into the mirror. In hot-pink lipstick, an angry female hand has scrawled a simple legend across the glass: WELCOME TO AIDS.

Caroline Winner (not her real name) first heard the urban myth of Karl Bluck five years ago. At the story's macabre punch line, she had shuddered and laughed along with four other young actresses waiting to audition, feeling a mixture of horror and relief—horror that she instinctually understood the motives of the apocryphal blonde, relief that the world of HIV infection was remote from her own universe.

Caroline bears a passing resemblance to movie star Linda Fiorentino. Full and lank black hair falls the length of her fine, extended neck; satiny, translucent shoulders; clean, hard facial features that soften at will when Winner wants to melt some man; emerald eyes that are visionary but never dreamy; the knowing mouth full, set and determined to satisfy itself. Caroline has the supple, rippling body of a feline predator in its killing prime.

She sits in the plush waiting room of a Century City, California, medical tower, flexing with impatience; she doesn't have time to fuck around waiting.

"Miss Winters [also not her real name]? The doctor will see you now."

It's about a blood panel. Red-cell count is strong, cholesterol encouragingly low, liver functions are splendid, T-cells are holding high. Caroline Winner's blood data all indicate a perfectly healthy, non-pregnant young woman, except for one unalterable detail.

Five years ago, Caroline Winner had slept with fewer than ten partners. Three years later, she was diagnosed with the virus that causes AIDS. Since then, she has had sex, usually unprotected, with at least 200 different unsuspecting men.

HUSTLER: How did you react to the discovery that you are HIV-positive?

WINNER: I didn't believe it. Even today, much of the time, I live as though the diagnosis were a mistake. I forget that I am infected. I fully expect my next test to come up negative, but then I catch a glimpse of myself in the mirror, and I give up hope. Look at me; I'm wasting away. I look like death already. Any little scratch or cut I get, I'm sure will turn into the wound that will not heal.

HUSTLER: You've admitted to engaging in widely promiscuous, unprotected sexual activity with many, many men subsequent to your diagnosis. Are these unsafe liaisons the result of you "forgetting" that you are an HIV carrier?

WINNER: I have unsafe sex because I can never forget, not even for a second, that I am an HIV carrier.

Charles volunteers his time and compassion to man an HIV-information hot line, he participates in grief-recovery groups for survivors mourning lost loved ones, and he delivers meals to housebound AIDS patients. itarians in the caregiving community, Charles is compelled to speak the unthinkable. "Public perception of AIDS is an ongoing concern. We need support from the heartland. People with HIV should not be seen as pariahs, discriminated against and shunned. We're afraid of the general populace getting the notion that angry individuals are out there spreading the virus on purpose," he testifies. "But I have seen so many people with this disease. Intelligent, informed, careful people. They cannot all have contracted it by accident."

\* \* \*

WINNER: I'm not making anybody sick on purpose. Everybody who fucks these days is taking a chance. Just because some guy sticks his dick in me without a rubber doesn't mean he'll get AIDS. I'm not playing God here. I can't control who picks up the disease and who it passes. I don't scratch or bite to break the guy's skin. If I'm on my period, I don't like to fuck anyway. Sometimes I'll bring condoms, and I'll suggest we use one, but the guy's too much of a stud to put on a rubber. That's his choice; fuck him.

HUSTLER: On occasion, you do protect your partner. How do you decide whether or not to shield a potential sex partner from your HIV?

WINNER: If I'm going to fuck a guy, and he looks like he has syphilis, I'll insist on the latex. I can't afford to get sick. I don't bring condoms to protect somebody else.

HUSTLER: The only time you suggest a rubber is when the guy looks like he has a disease?

WINNER: No, that's not completely true. I'm trying to sound harder than I really am. If I find out in time that I like a man, specifically if I find out before we get into bed, then I'll maneuver him into a sheath. If I realize the guy's an asshole, I'll share everything I've got with him.

HUSTLER: What kind of guy is an asshole to you?

WINNER: All kinds. Your basic blow-hard. Pushy guys. Guys who think they're irresistible. Guys who try to impress me with money, who they know or their powerful jobs. Those wormy, sensitive feminist guys. Any male who owns a cat. Guys with small dicks.

HUSTLER: Do you ever tell a man, before or after you fuck him, that you have AIDS?

WINNER: I don't have AIDS yet. My virus may never develop into full-fledged AIDS. Many people stay healthy with HIV for years.

HUSTLER: In the years since the diagnosis, have you informed any man you've

had sex with that you're positive?

WINNER: I told this one guy that I *hadn't* had sex with that I'd come up infected. This was a while back, just after I found out. On Tuesday I get the HIV news; that weekend I meet the guy who seems like the perfect man for me. I didn't want anything hidden between us. I wanted to put everything on the table so he could come in open-eyed. The worst that would happen, I figured, was that he and I would become intimate, though platonic, friends. He never called me again after he found out I had it.

HUSTLER: Again: the guys you do fuck—have any of them ever been told by you that they've been put at risk?

WINNER: Why rub it in? Why make people nervous about something that might just be nothing anyway?

HUSTLER: Why rub it in? If a man is unaware that he's been exposed to HIV, then he may unknowingly pass it on to the next woman he screws, and she'll pass it along to the next person.

WINNER: If a man has sex with another person, he should be aware that he has exposed himself to the risk of HIV.

Janece McP. got used to living one day at a time, but now she is only making it hour to hour. The few friends and devoted family members who can still bear to visit her remember Janece as a vibrant, gorgeous young woman. They recognize remnants of Janece's beauty, ravaged by the fires of a disease that 20 years ago no one had even heard of. Her eyes burn with fever, pain and—during those few moments every day when she is not drained, trapped, surrendered—passion.

"Someone gave it to me," rages Janece. Her failing wisp of breath comes through lips lined with sores. Janece's dread of the pain in her mouth and throat will soon be overpowered by the force of her thirst. She swallows a harsh sip of agony: "I don't know who infected me, but how do I know that they didn't know?"

Parched, suffering and doped clear out of her identity, Janece will probably say nothing else throughout the day.

\* \* \*

HUSTLER: Are you taking any medications now?

WINNER: I defy you to find somebody who never did anything to hurt anybody else in their entire life, put that person into my position, and then see if they don't take every kind of relief they can get, up to and including narcotics.

HUSTLER: By "medications" we mean

"You know," complains college cheerleader T. J., "it's possible to be too polite. All I had to do was tell one lame frat guy that I like stuffed animals, and now I've got a whole menagerie."

T. J. frowns at a beady-eyed, pink bunny. "These mooks think the way to my heart is through plush toys. I've got a lion, a puppy, a monkey, two tigers—even a stuffed llama!" she sighs, wrapping her thighs around the offending beast. "All I really want is a stuffed pussy."

AZT or any other drugs that are available to be used for HIV treatment.

**WINNER:** The treatments for AIDS are so expensive, and they just have not been proven to work. Do you have any idea what happens to a person's health insurance once you process an HIV-related claim? Why do you think I use an assumed name when I go to a doctor?

**HUSTLER:** What kind of drugs do you use for relief?

**WINNER:** My favorite anesthetics are comfort foods. I'm lucky that I've got an appetite. Some people with AIDS have a lot of trouble keeping their weight up.

**HUSTLER:** Any intravenous drugs?

**WINNER:** Before my diagnosis, I never would have even considered shooting up. After a person contracts HIV, it can be hard for them to feel that they've got something left to lose, and they'll try almost anything.

**HUSTLER:** If and when you shoot up with other people, do you disinfect your needles in a bleach solution?

**WINNER:** It's funny, all the little superstitions people develop to protect themselves from something they don't understand. Whenever I see a junkie bleaching out a rig, I assume he's a narc.

Caroline Winner, in sweats, with her

fine, full hair corralled by a film-studio baseball cap, sits on a bench at Taco Tony's Fast Fire Burritos, shoveling down a Super Grande Combo Burrito while waiting for her black BMW to emerge from an adjacent car wash.

Caroline swallows; her cheeks remain full and rosy. She has put on at least ten pounds since her first interview. She looks like something she used to be: a farm-faced, cream-fed favorite daughter of a wholesome and prosperous Midwest town. Despite Caroline's false self-image of being emaciated and sickly, she appears to be bursting with the obvious health of a pink-nosed piglet on its way to market.

A fortyish guy wearing a baseball cap from a rival film studio carries a plate of nachos. Feigning obliviousness to Caroline, he sits on the far end of her bench, pretends to notice her for the first time and strikes up a conversation. His Ferrari, he points out to Caroline, is almost through being hand-toweled and buffed by the team of young Guatemalans he has double-tipped to do so.

"Can we go for a ride?" Caroline asks.

Of course.

Out loud, Caroline will state her preference to use a condom with this man.

"You're kidding," he insists incredulously. "Are you saying I might be gay?"

Under his further urging, she will keep silent and let him have his way.

\* \* \*

**HUSTLER:** Why have you come forward to speak about your HIV and your continued unsafe sex?

**WINNER:** I never came forward. I have a roommate, a girl I've known and been close to since college. I had to tell her why it bothered me when she used my toothbrush. My gums bleed sometimes. Who knows for certain how this virus can be passed? I informed Donna that I have it. She knows about some of the guys, a lot of the guys, I've been with, and she's the one who contacted you people about the interview.

**HUSTLER:** Why are you taking revenge on people who are not to blame for what happened to you?

**WINNER:** I'm not taking revenge on anybody. Men want to have sex with me, and I give them what they want. Has one single guy ever stopped to ask me if I have HIV?

**HUSTLER:** Would you tell the truth if anyone did ask?

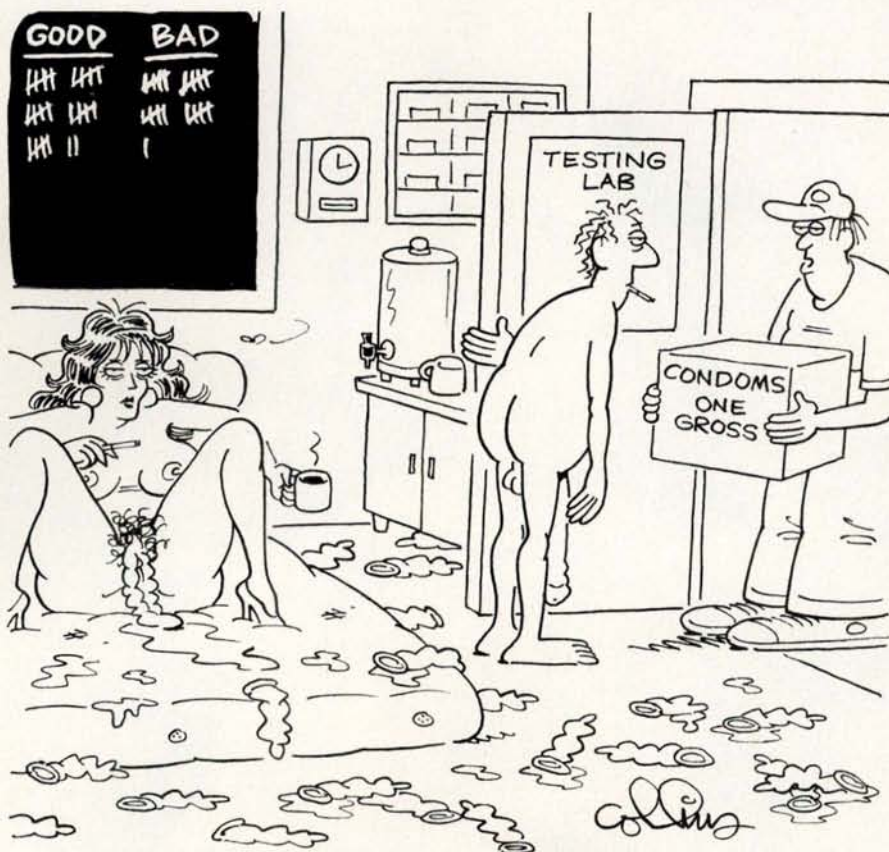

**WINNER:** Have I lied to you?

**HUSTLER:** Shouldn't it be illegal for a person who is knowingly HIV positive to have unsafe sex with someone and not warn that person of the risk?

**WINNER:** No one's ever expressed that opinion to me. There are doctors, established medical professionals, who are not convinced that AIDS is transmitted sexually. I've read about it. Nobody is sure. You seem to think that I've got some moral obligation to tell the world that I have AIDS. Why stop there? Do you want me to tell every guy who's trying to fuck me that I've got a cold, and he might catch that? If you guys had your way, none of us would ever get laid.

Two provisions under the penal code address intentional or careless exposure of another individual to the HIV virus: 1. Willful or careless exposure to HIV that occurs during any kind of sexual assault, whether or not the victim contracts the virus, will result in a three-year sentence enhancement upon conviction. 2. A previously convicted sex worker (prostitute) who is aware that he or she is infected with the HIV virus can be tried criminally for continuing to engage in unsafe sex for money. A person who has been exposed to HIV by an informed carrier in other situations can seek redress through civil suits. However, the possibility that her infector might be forced to pay heavy financial reparations is of no comfort whatsoever to Janiece McP., or to her family and friends. ☹

# STACY & JILL RUMPED UP

The number-one rule when lifting weights is safety.

"You should always have someone spot you," cautions semi-pro softball player Jill.

"You missed a spot," grunts her teammate, Stacy.

The number-two rule:

"Keep your back straight and tuck your pelvis under," pants Jill.

"You're arching your back, Jill," scolds Stacy.

Finally: Don't overdo it—take breaks.

"You want to be flexible, not muscle-bound," advises Stacy, lying back on the bench.

"There's only one little muscle that can't be *too* tight," says Jill, lying forward on Stacy.

Where's that?

"We're working it right now."

# STRIP SEARCH

A Lonely Lady Delves Deep  
Inside San Francisco's Sex Clubs  
in Search of a Little Company

Tortured Confessional by Jennifer Cabot \* Illustration by Eric Stanton

When a former exotic dancer becomes a paying customer, she discovers the naked truth about herself.

# Strip

She has long, wavy, dark-brown hair and pale, pale skin. She pulls on my pants with her ass. I know her pussy must be as swollen as mine. I want to slip my fingers under her G-string and touch it.

She leans against me, her back pressed to my chest, her breath hot on my neck. Her lips brush my skin as she slides down and up, throwing her hair across my shoulder and leaning back in abandon. Her tits spread and heave as she splays across my body. I want to touch them, but I sit on my hands. Her breasts are real too. I should know; I've seen a lot of tit jobs in my life. I used to be a stripper.

The guys I'm with—including my sometimes boyfriend—are watching. I look up at them and blush. It was my idea to come to one of these San Francisco clubs. I knew from working in New York that a girl can't just waltz into a strip bar alone; so I dragged my buddies along for protection. I was curious to see what the clubs were like in this city famous for its open, sex-loving culture. After having worked on 42nd Street, nothing much impresses me.

But here I am with a woman grinding on my lap. I'll say anything to get her to trust me. "I used to be stripper," I stammer. Her hand glides across my breasts, squeezing my nipples. I know she's not supposed to do that.

She gets really close and whispers in my ear, "Don't let the management see me doing this. I'm already in trouble."

She's gorgeous, but not the typical

stripper: she's not blond, and no tan lines. She has long, wavy, dark-brown hair and pale, pale skin. Snow White—that's how I remember her now. She pulls on my pants with her ass. I know her pussy must be as swollen as mine. I want to slip my fingers under her G-string and touch it.

Instead I slip her another ten to keep her dancing, and ask her what she really does. Naturally, she's a writer.

"So am I," I tell her excitedly. "I left stripping to do it full time."

She says she wishes she could leave dancing too. I offer her my number so "we can talk about writing. Maybe I can help you out with it." At least, that's what I tell her. That's what I tell myself too. My guy friends almost laugh out loud at the exchange. They've seen it before; they've *done* it before—given some dancer their number hoping she'll call. I of all people should know better. No dancer calls a customer, ever. But this is different. *I used to be...I'm a woman...I'm not like the rest of them.* It's the same logic guys used when they gave me their numbers. They'd convince themselves this was different. I'd let them believe it too. That way they'd keep giving me money. I have boxes full of business cards and matchbooks with scrawled numbers, never dialed.

I finally see the power I had over men while I was dancing, what they were responding to. But it also feels powerful being on the other side. It's nice to make this woman jump through hoops for me, instead of me trying to figure what turns a guy on so he'll give me more money.

I'm hooked after one night. My guy friends keep asking if Snow White has called, already knowing the answer. I want to go back, but my friends are in no huge hurry to go to a titty bar; it's nothing new to them. I decide to go by myself. But I can't go back to Snow White's club—what if she sees me coming in alone? I try my luck at the Crazy Horse instead.

It's late on a warm, sunny Saturday afternoon—so beautiful out that going into a dark strip club makes me feel like a dirty old man. I look down at my feet as I walk past two guys smoking outside. My heart is pounding, but I'm in. The Crazy Horse has theater-style seating. It's impossible to find an unobtrusive place to sit, and the place is packed, despite the early hour. I finally pick a spot where I'm not sitting right next to someone.

I can't figure out where to focus: the video screen with piped-in porn, the dancers undulating onstage, or the women strutting up and down the aisles. The last group all look at me, but no one asks if I "want any company." They don't know what to make of me. The guys, too, nervously ignore me.

Bored and alone, I watch a gorgeous girl with brown, bobbed hair and a tight little body perfectly framed by ivory panties and stockings make a beeline for the guy in front of me. Maybe he's a regular of hers.

I don't want to watch, but it's right in front of me. She wraps the 20 he gives her around her finger like a ring and bends her tiny, perfect body over the seat in front of her, rolling her hips next to the guy's face. I'm definitely going to ask her for a dance.

Then a stacked redhead walks by. It's rude to hone in on someone else's private, paid-for dance, but I can't help turning around when she starts dancing for the guy behind me. She smiles down at me with the look of sympathy I used to give other strippers when we were bored and frustrated at work.

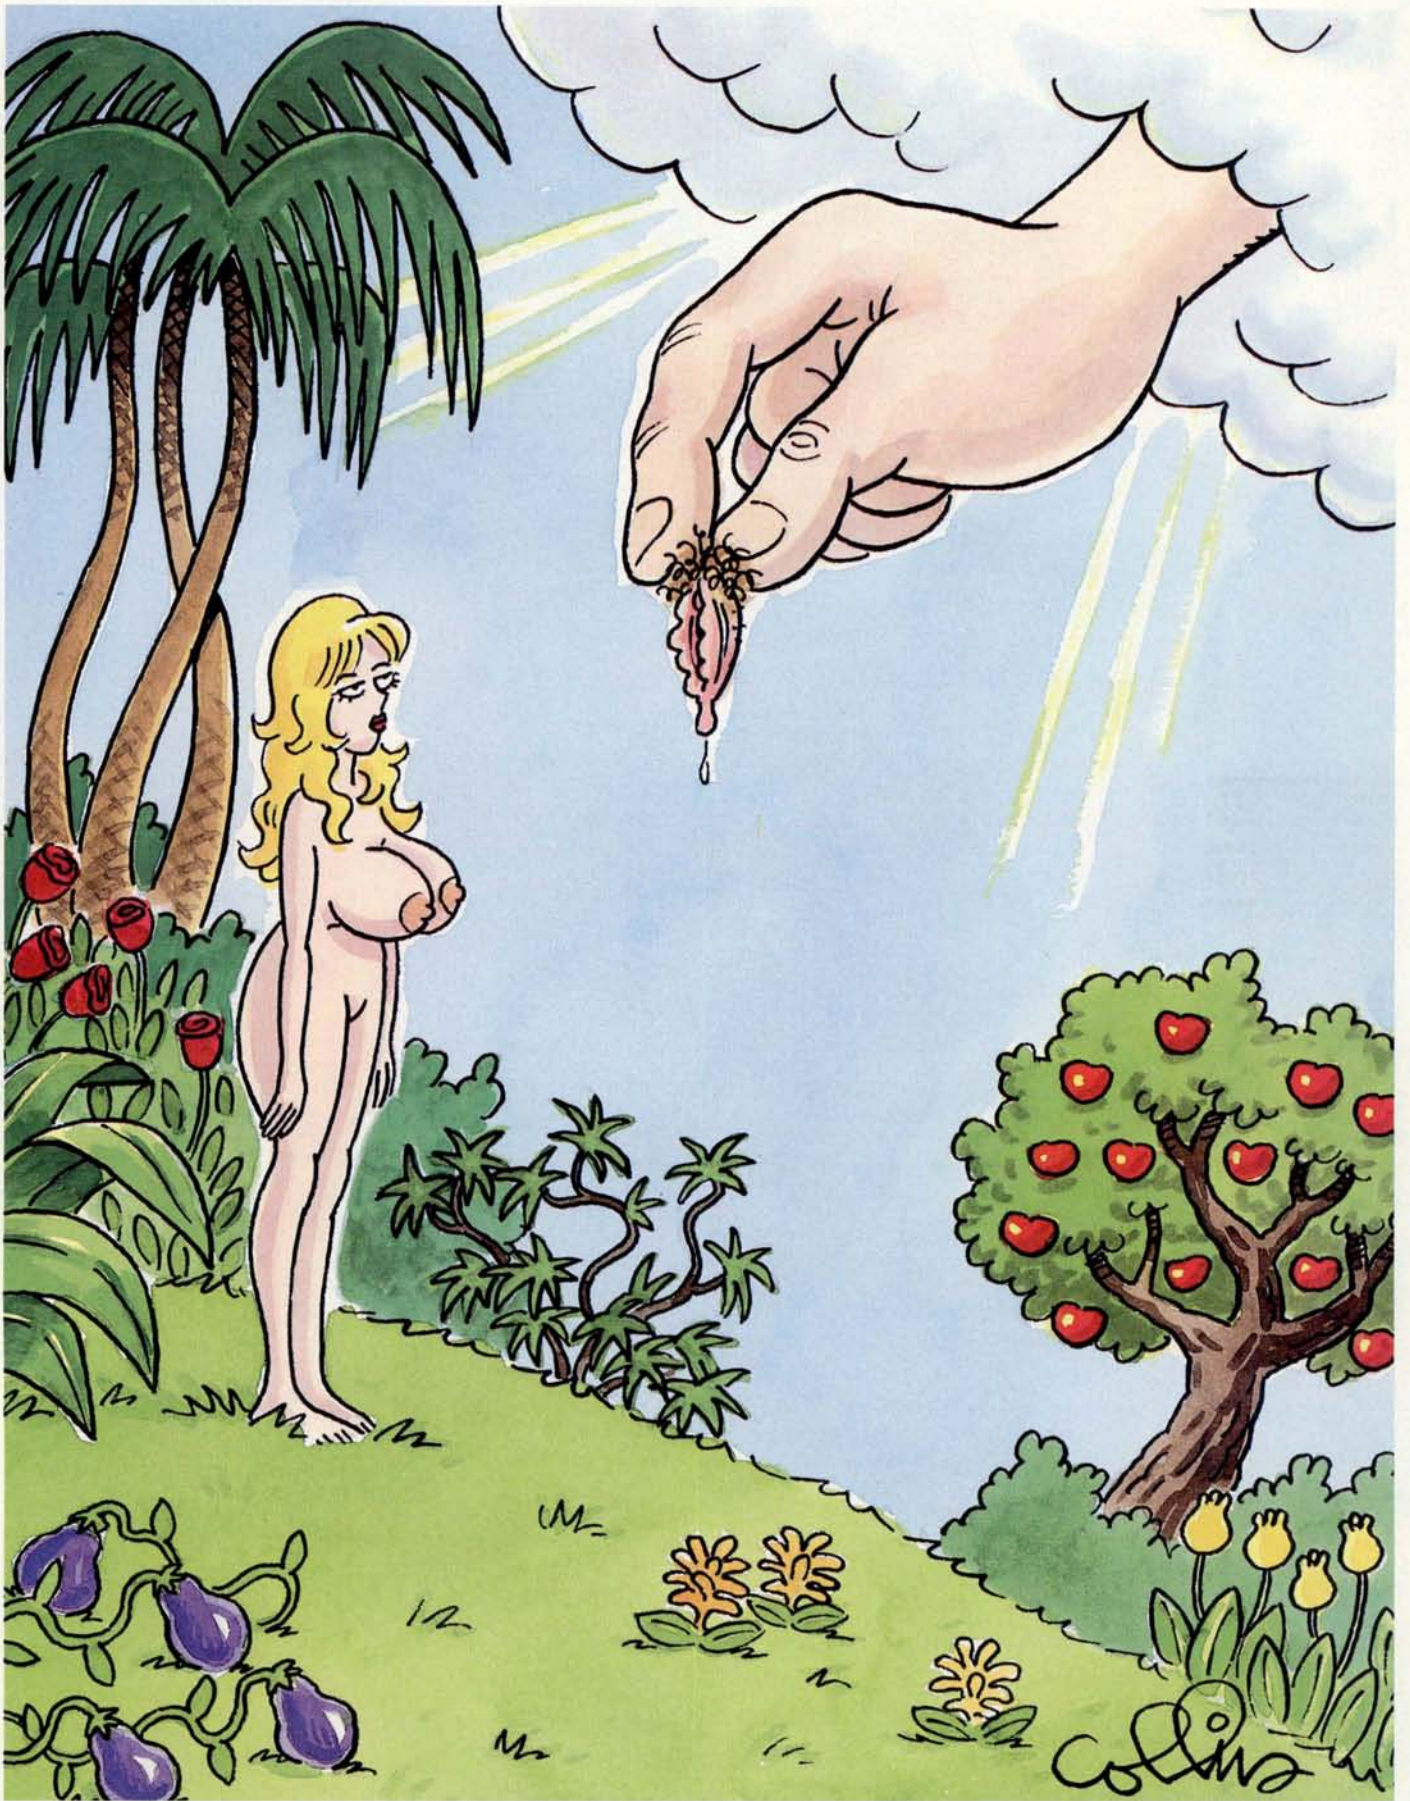

After Red's done, she resumes walking up and down the aisle, passing me by again and again. Finally, I wave her over and ask her to dance. Visibly nonplussed, she adds my 20 to her ring o' dollars and plants herself on my lap with her back to me. When she leans over my shoulder,

"What happened to spring?" moans perfume salesperson Heather. "It's so hot, my butt cheeks squeak when I walk."

Heather gingerly peels off her damp underwear.

"Ouch!" she yelps. "The nylon is sticking to my lips. I've gotta remember to wear cotton panties. Or better yet, no panties. Or better still—" her eyes light up. "—no clothes period. If the weather stays hot like this," she demands, "why should I put on a stitch of clothing until October?"

We can hardly think of a reason.

**A**fter a night of heavy drinking, Bosco asked the bartender for directions to the men's room.

"It's a little tricky," the bartender explained, "but you go out the back door, go past the cigarette machine, and take the last door on your right. And whatever you do, don't go through the last door on your left."

Bosco stumbled out of the bar and promptly went through the wrong door. Instead of entering the men's room, he plunged down an elevator shaft that had been closed due to a flood in the building's basement.

Hearing Bosco's slurred shouts and splashes from the bottom of the flooded elevator shaft, another patron hurried over and shouted, "Hey, buddy, are you all right down there?"

"I'm okay," Bosco shouted back, "but whatever you do, don't flush!"

**J**imbo walked into a used-car lot and asked, "Is it true that my best friend, Dave, still hasn't made a single payment on that Corvette he bought from you two years ago?"

"Yeah," replied the salesman. "Are you here to make good on his account?"

"No," Jimbo answered, "I wanted to buy one for myself on those same terms."

**W**hen he reached the North Pole, an explorer was amazed to discover a hut with a sign on the door that read FOR MEMBERS ONLY.

When he knocked, a bearded man opened the door and barked, "This is a private club. You can only join if you do two things: kill a polar bear and fuck an Eskimo woman."

Despite his exhaustion, the explorer set off on a new mission to gain membership to the club. Three hours later, he returned, scratched and bloodied. After catching his breath, the explorer gasped, "Okay, now where's that Eskimo woman I'm supposed to kill?"

**T**he HUSTLER Dictionary defines *practical nurse* as: someone who takes care of rich, terminally ill patients by marrying them.

**D**r. Howard, a veterinarian, came home from work one day and noticed his neighbor's eight-year-old son, Sammy, crying in the front yard.

"What's wrong, Sammy?" Dr. Howard asked.

"My folks are getting divorced," the little boy said. "My mommy told my daddy she was fed up with being married to an impotent old geezer."

Dr. Howard smiled. "You know, Sammy, sometimes horses get the same problem your dad has. I've got some pills for curing horses that should help your dad too. You take one pill, break it in half, and mix it up with your dad's food. He'll be cured in no time."

Two months later, Dr. Howard saw Sammy crying again in his front yard. "What's wrong now, Sammy?" Dr. Howard asked.

"Don't even ask," the little boy mumbled. "Mommy's dead, my sister's pregnant, my ass is burning, and our dog is too scared to come home."

**Q**uestion: Why was the homo fired from his position at the sperm bank?

Answer: He was drinking on the job.

**O**ne day a man went into a restaurant and ordered a bowl of soup. The waitress brought his order out to him on a tray, with her middle finger immersed in the middle of his soup bowl.

"What the hell's the idea of putting your finger in my bowl of soup?" the man bellowed at the waitress.

"My doctor said the best thing for my rheumatism was to keep my finger pressed in a warm, damp place," the waitress informed him.

"Oh, yeah," the man shouted, "then why don't you take that finger of yours and shove it up your fat ass?"

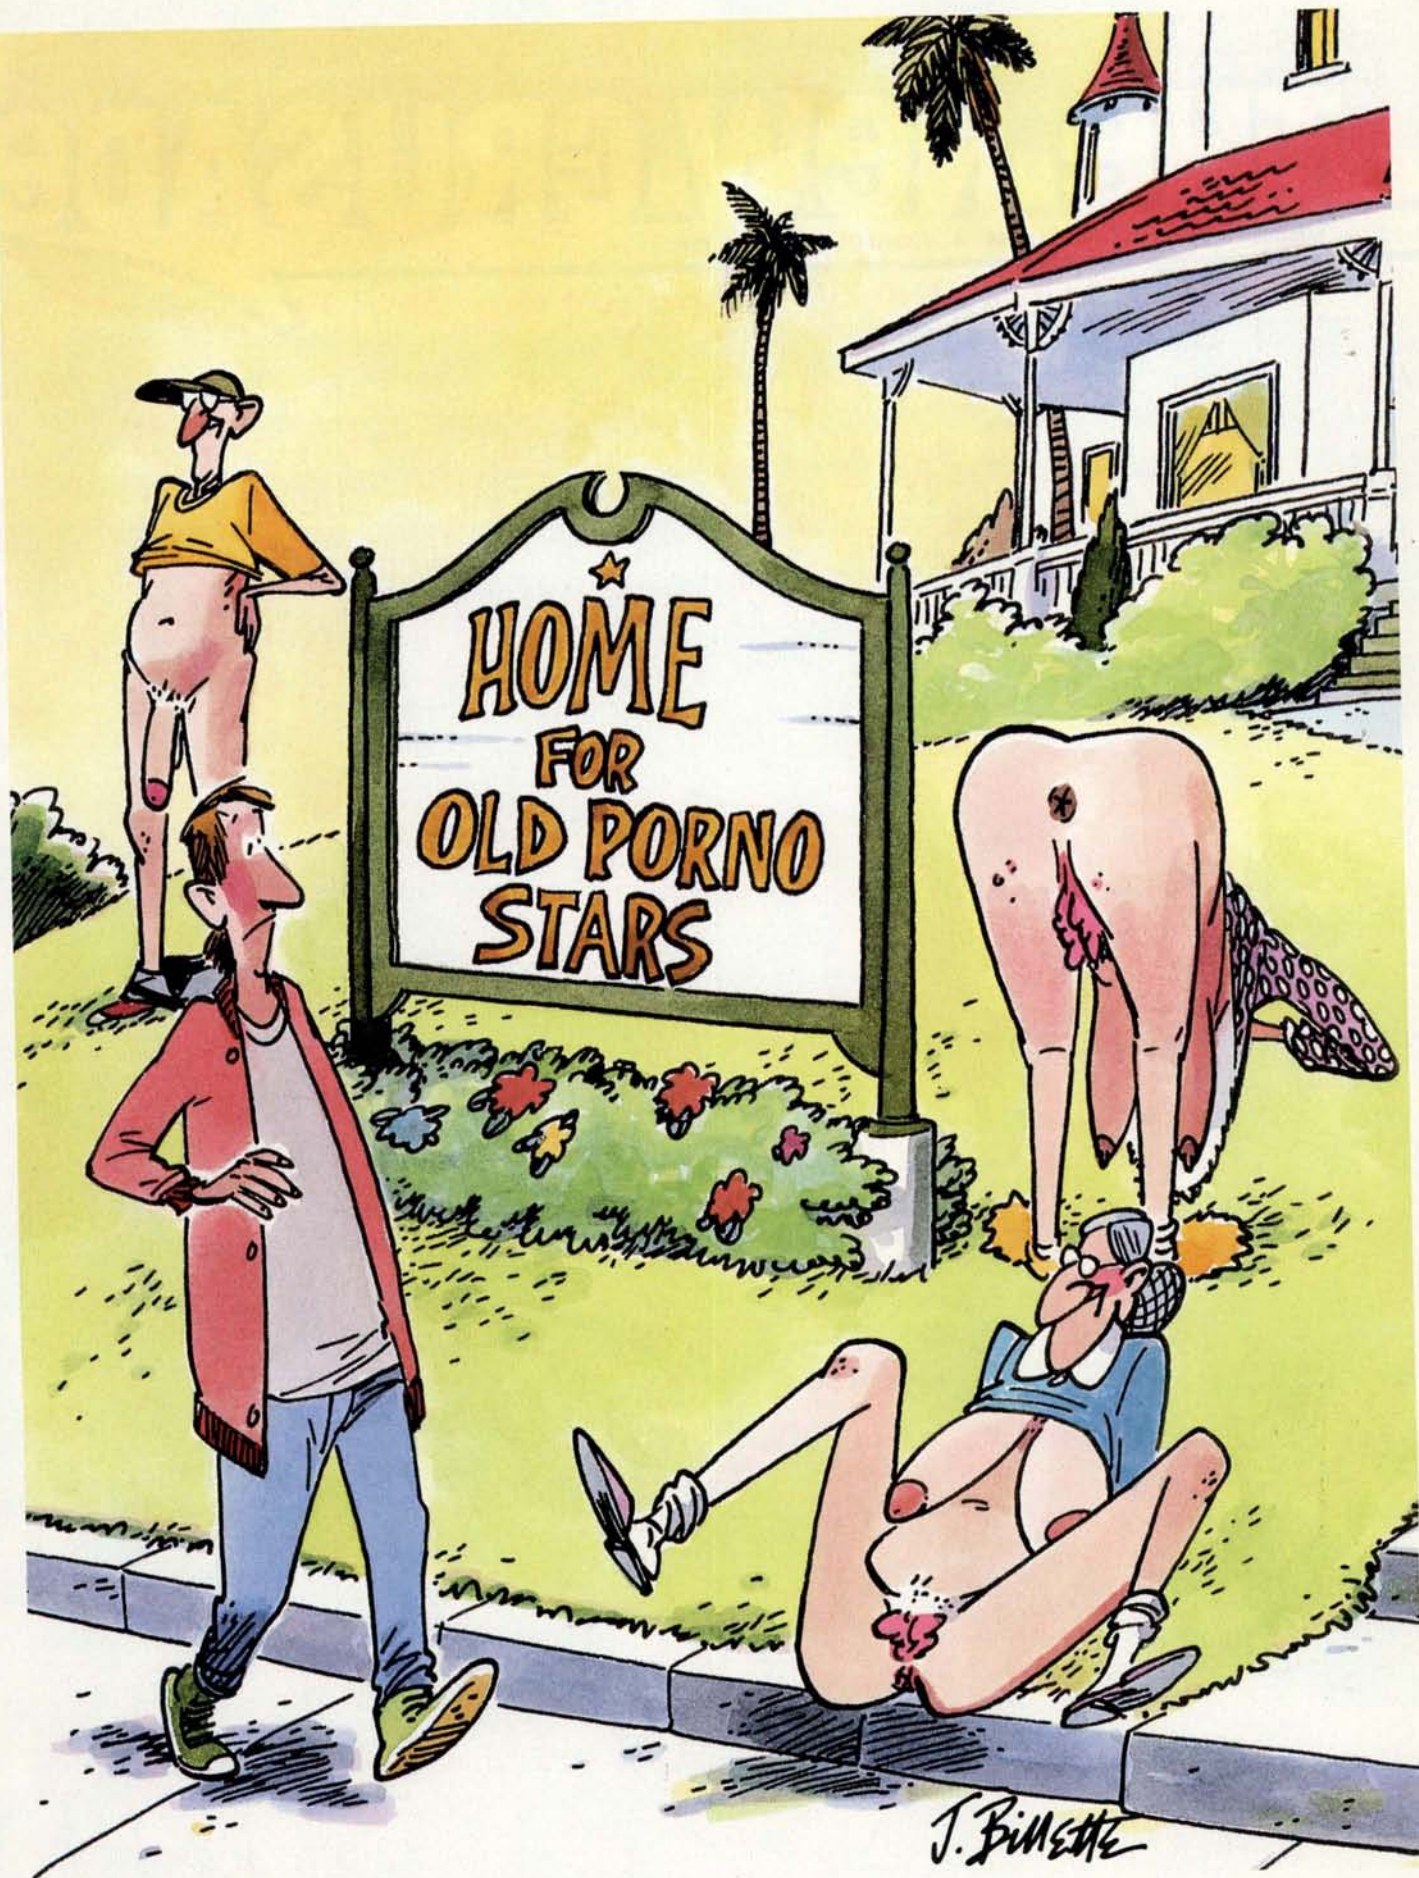

"I'm sorry, sir," the waitress replied, "but I already tried that before I brought your soup out."

**Q**uestion: Why do black women have to lug around such big purses?

Answer: They need them to carry their lipstick.

## Islam's Holy War Against the World

PICK UP A NEWSPAPER ANY DAY OF THE WEEK, AND FUNDAMENTALIST MUSLIMS ARE EITHER FIGHTING BLOODY CIVIL WARS AGAINST SECULAR GOVERNMENTS OR SETTING OFF YET ANOTHER CAR BOMB—ALL IN THE NAME OF ALLAH. AT LEAST ONE MUSLIM COUNTRY IS LOOKING TO BUY NUCLEAR BOMBS. HOW MUCH OF A THREAT ARE MUSLIMS, AND SHOULD THE WEST BE CONCERNED?

# Islam

"Muslims are ultimately committed to waging holy war, both in the Middle East and the world at large, against all of their opposition," says a former senior FBI official, "and that means us."

★ In the countryside outside Algiers, Algeria, government security forces discover severed heads set on pikes and bodies strewn along the roadside.

★ On the southern island of Mindanao in the Philippines, 200 rebels disguised as soldiers raid the isolated trading town of Ipil, plundering stores and banks and leaving 53 dead.

★ In the Gaza Strip, two separate suicide attacks by Palestinians kill seven Israeli soldiers and one American student; the American was riding on a bus when it was struck by a van packed with explosives.

These are not random acts of violence. This is a war. Fundamentalist Muslims are waging a *jihad*, or holy war, against secular governments that threatens to spill into the West.

Even America is not immune. In October 1995, Egyptian Sheik Omar Abdel Rahman, along with nine co-defendants, was convicted of conspiring to wage warfare against the United States for his part in planning the 1993 bombing of New York City's World Trade Center. According to the FBI, one of the co-conspirators, Ramzi Yousef, had also planned to blow up as many as 11 American airliners, possibly all in one day, as a spectacular act of defiance.

"[Muslims] are ultimately committed to waging holy war, both in the Middle East and the world at large, against all of their opposition," says Oliver B. Revell, a former senior FBI official in charge of counter terrorism, "and that means us."

In Algeria, a civil war between Islamic radicals and the military-backed government has claimed 40,000 lives in the past four years. The bloodshed began in January 1992, when the army took power to head off an election victory by the Islamic Salvation Front. The resultant campaign of assassination and sabotage between government and fundamentalist guerrillas has snowballed into 1,000 deaths every week.

The fundamentalists' car bombings and trademark slashing of throats from the right ear through the spinal column have struck terror in Algerians. In one attack, guerrillas who had hijacked an airliner were killed by security forces. Their supporters, in retaliation, killed four Catholic priests and set off a car bomb that killed 42 people and injured 256.

In an effort to crack down on the radicals, the military has enlisted black-hooded commandos known as *ninjas*, who patrol the streets of Algiers looking for young men in leather jackets—worn

to conceal weapons. In one week alone in March 1995, more than 1,000 rebels were killed. But rather than showing signs of a letup, the bloody guerrilla war has only spread further, into France, where a wave of bombings in late 1995 killed seven and injured 140 people. The fundamentalists resent France's support of the Algerian government.

"Islamism now constitutes, for France, the number-one menace," wrote commentator Claude Imbert in the weekly *Le Point*.

Ipil, on the island of Mindanao in the Philippines, was the site of violence between Muslim insurgents and Christian vigilantes in 1972, the first battle of a 20-year Muslim insurrection on the island that left more than 50,000 people dead. The daring daylight attack on Ipil in April 1995 indicates that the 6 million Muslims in the mostly Christian Philippines may be re-emerging as a problem.

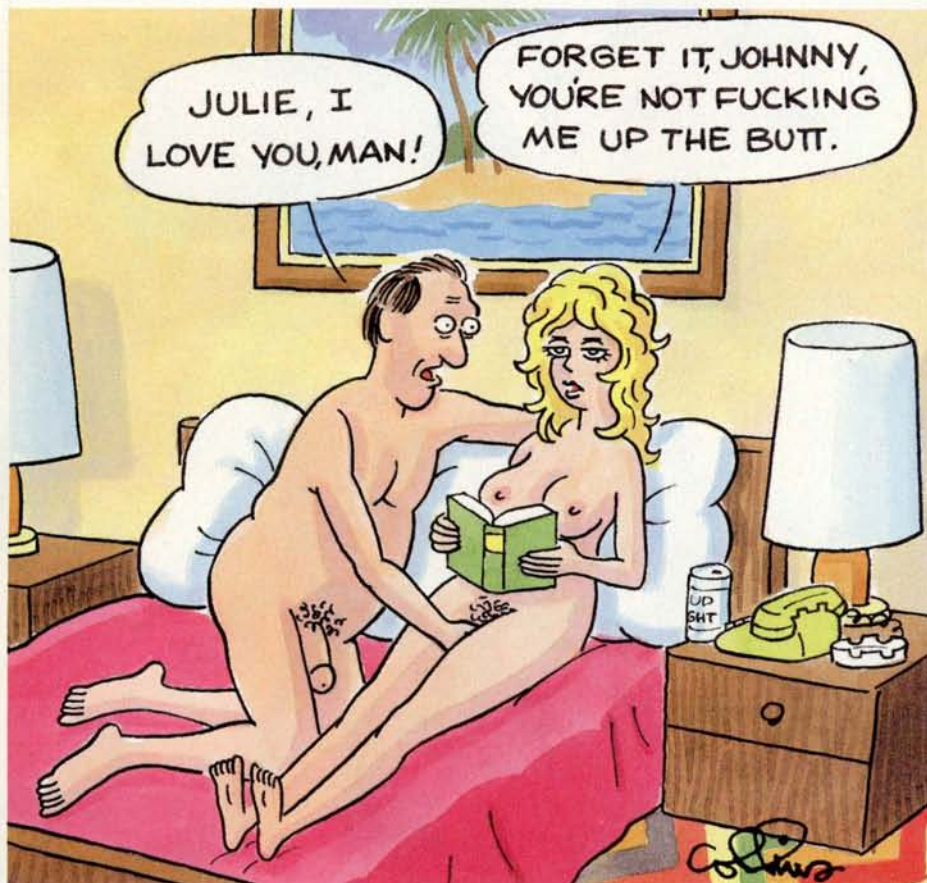

Abu Sayyaf, the group responsible for the raid, is one of several demanding either autonomy or a separate Muslim state on Mindanao. One theory holds that Abu Sayyaf raided the town to raise cash for their cause: They left with a total of \$1 million. But they also indiscriminately gunned down men, women and children.

"They were killing people like they do this every day," reported a survivor of the carnage.

After over 40 years of fighting, the Palestinian Liberation Organization signed a peace accord with Israel in September 1993, but that hasn't stopped the bloodshed. Muslim fundamentalists such as the Islamic Resistance Movement, also known as *Hamas*, and the smaller Islamic Jihad are determined to torpedo the peace process. Since the treaty was signed, 65 Israelis have died in suicide bombings.

Palestinian boys as young as 14 years old are enticed with visions of a sensual paradise to blow themselves up in a crowd of Israelis and thus become heroes and martyrs. About 20 have done so in the past two years. But first they must go through rigorous training.

"They put two or three people together in a grave and cover it, as if they were really dead," reveals a senior Palestinian intelligence officer. "After two or three minutes, they let them out. Later they put the chosen one in a grave by himself. They tell him to recite a special part of the Koran." After the candidate is let out, he's left alone for two days and nights with nothing but the Koran. The trainers then study him to see if he's ready.

# Islam

"Iran has its own agenda apart from Bosnia," said a highly placed Clinton Administration official, "and if the Iranians have an interest in targeting us, I would be concerned about what happens in Bosnia."

"They tell him, 'Now you are great; you are holy; you are ready to go to heaven.'"

With more than one billion followers, Islam is the second-largest religion in the world after Christianity, with devotees everywhere from the steppes of China to the southern coast of Africa.

Islam means "I surrender," or "I submit"; a Muslim is a person who submits to the will of Allah, or God. The religion was founded by the prophet Mohammed nearly 700 years after the birth of Christianity, after he received divine revelations from Allah. These revelations were recorded and compiled in the Koran, Islam's most holy book. To fundamentalist Muslims, anything deviating from the Koran is morally corrupt.

"Islam is not only a religion; it is also a political philosophy," notes Dr. Mohammed Amar, an Egyptian radical. "[Islam is] a comprehensive way of life."

Hassan al-Turabi, the leading intellectual of fundamentalist Islam, and the alleged behind-the-scenes power in the Sudanese government of Lieutenant General Omar Hassan Ahmed Bashir, maintains that Islam led the Arabs to their zenith from 650 to 950 A.D. For 300 years, Muslims ruled an empire from the Pyrenees to the Himalayas, and Islamic art

and science blossomed. Eventually, Islam declined—which Turabi chalks up to religious corruption. A power elite emerged, he says, that excluded the masses: "Muslims then fell into a trap. They began to justify their distance from the Koran, and an unfortunate tradition began."

But, Turabi predicts, "There is a renaissance of Islam coming. It is part of the historical cycle. Islam will be on top again."

Middle East experts posit that one reason for the global reach of radical Islam is its strong appeal to countries beset by tyranny and economic stagnation. They point to Egypt, the site of a bloody four-year police and military crackdown on violent Islamic groups who want to replace the secular government. The African country has been the second-largest recipient of U.S. military and nonmilitary aid since 1979—some \$2 billion annually—yet the country's poverty level has soared.

"Islamic fundamentalism offers solutions—concrete ones—and is not beset by corruption or doubt," says one political scientist. "That's important if you look at the corrupt nature of most of the ruling bodies in nearly all Muslim countries."

That is why Sudan's Hassan al-Turabi believes that Egypt, Saudi Arabia, Kuwait, Oman and Jordan will turn to fundamen-

talist Islam within the next few years.

The current revival of political Islam is attributed mainly to the revolution in Iran, the defeat of Soviet forces in Afghanistan and the radicalization of Sudan, according to one Middle East analyst.

Islamic fundamentalists claimed their first major scalp in 1979, in Iran. After a year of revolutionary upheaval, unarmed demonstrators led by an 80-year-old cleric, the Ayatollah Khomeini, toppled the Shah of Iran, then one of the most powerful rulers in the Middle East.

"This was a revolution that valued religious orthodoxy above all else, including economics," says one observer.

The revolution launched militant Islam as a powerful modern political force, reaching beyond the boundaries of the country itself.

The Iranians played a significant role in training Bosnian Muslims and Muslims from other countries who fought in the civil war in Bosnia-Herzegovina, reported U.S. senior officials in December 1995 during the deployment of American peacekeeping troops to Bosnia. They also provided more than 5,000 tons of arms to Bosnian Muslims. The presence of more than 200 Iranian Revolutionary Guards in Bosnia was considered a major threat to the safety of American troops.

"Iran has its own agenda apart from Bosnia," said a highly placed Clinton Administration official at the time, "and if the Iranians have an interest in targeting us, I would be concerned about what happens in Bosnia."

Iran's world view makes its attempts to obtain atomic reactors and technology for what they call research all the more chilling.

"There is no doubt in my mind that Iran would like to join the nuclear-weapons club but wants to appear to do otherwise," says Lawrence Korb of the Brookings Institute, a Washington, D.C., think tank.

Afghanistan's 1988 victory over the Soviet Union and the "godless communists" reverberated across the Muslim world. One superpower had taken on Islam and been vanquished. In a similar David and Goliath scenario, the tiny Muslim republic of Chechnya has been battling Russia for independence since late 1994, to the tune of 20,000 lives. Despite a cease-fire called in mid-1995, the Chechens stepped up their terrorist activities by the end of the year, capped by a car bomb that killed 11 people in plain view of the Moscow-installed

"It's hard to believe," concedes Valeria, "but I wear the same cup size now that I did when I was 11 years old. My chest sprouted practically overnight. Imagine a tiny, 4-10 girl lugging these breasts around!"

Valeria shakes her head in wonderment.

"I had a reputation as a slut before I'd even held hands with a guy. I didn't *kiss* a boy until I was 18! But the longer I remained a virgin, the more outrageous the stories became—I mean, I don't even *like* football. It's taken me years to undo the lies."

Valeria smiles triumphantly.

"I'm proud to say that I'm finally living up to my reputation."

government in Chechnya's capital.

Afghanistan served as a powerful catalyst in activating fundamentalist Muslim youth. During the 1980s, thousands of militant volunteers from 50 countries rallied to the cause of Afghan freedom fighters. Some returned home to cause serious trouble for their rulers. Several of those arrested in the World Trade Center bombing were veterans of the Afghan campaign. Convicted co-conspirator Sheik Omar Abdel Rahman made at least three trips to Afghanistan during the war, and two of his sons reportedly fought there.

Egyptian President Hosni Mubarak calls the Afghanistan veterans the main terrorist threat to the stability of his government. Some of the assailants involved in the political assassinations and bombings in Egypt have proven to be Egyptian veterans of the Afghan war. One Cairo lawyer close to the militants says that 20,000 Egyptians fought against the Soviets.

Allegedly presenting another threat to Egypt is neighboring Sudan, Africa's only Islamized nation. Relations between the two countries are tense because Sudan has trained and sheltered a number of extremists from several nations, including Egypt. Sudan also has close ties with and receives support from Iran.

Hassan al-Turabi, the acknowledged power in Sudan and a religious leader well-versed in Western thinking, condemns Western intrusion into Muslim consciousness and belittles Arab countries that, he maintains, have adopted Western practices—Egypt chief among them. When Egyptian President Mubarak was attacked in June 1995, he pointed a finger at Turabi, who said there was no substantiation to the charges. Turabi also denies charges that Sudan supports the Egyptian rebels with guns.

"That allegation is just another lie your State Department is passing off as the truth," he declares.

Still, Turabi calls the fundamentalists fighting the Egyptian government "honorable men," and advises that tourists in Egypt "watch their step. They should stay away from the battle."

Visitors are staying away from Egypt in droves. Hardly a day goes by without some report of armed clashes between government forces and terrorists allegedly belonging to Islamic groups, says Israeli writer Amos Elon. The tourist industry has lost an estimated \$3 billion in revenue since 1992.

Egypt has been under a state of emergency since 1981, when Muslim radicals

assassinated pro-American President Anwar Sadat. The fundamentalists never accepted Egypt's peace treaty with Israel. Since 1992, about 1,000 people have died in clashes. In 1993 alone, Egyptian fundamentalists bombed the Interior Minister's car, attacked the Prime Minister and attempted to gun down the Information Minister. And in November 1995, the radicals moved their battle onto foreign soil, with their car bombing of the Egyptian Embassy in Pakistan.

Spurring Egyptian fundamentalists on in their battle against the Egyptian government is convicted World Trade Center co-conspirator Sheik Omar Abdel Rahman, their spiritual mentor.

"Islamic radicals in Egypt regard Sheik Rahman as a saint," says Amos Elon.

The blind sheik castigates the Mubarak government, sending out taped sermons every week in which he urges his followers to overthrow the president.

"Self-defense is legal in all religions," Rahman told *Time* magazine. "This is called *jihad* in Islam. The West has misinterpreted this concept. People who are defending their lands are called terrorists."

What is America's place in the new crusade? Was the World Trade Center bombing an isolated incident, or a portent of things to come?

According to the U.S. Census, the American Muslim population of 5 to 6 million will overtake the Jewish-American population by the year 2000. Most Muslims are law-abiding and do not condone violence; radical groups represent only an extremist fringe. But those groups are gaining ground.

"Until Oklahoma City, the consensus in the FBI was that, of the various extremist groups in the United States, it was radical Islamic groups that most threaten American security," says Steven Emerson, who researched Muslim fundamentalists as the executive producer of the acclaimed PBS documentary *Jihad in America*.

Islamic fundamentalists object philosophically to the United States and what they perceive as the corruptness of American society. They embrace the belief that, "Western, particularly American, society is morally corrupt, intrinsically anti-Islamic and evil," says Emerson.

The World Trade Center bombing conspiracy and subsequent trials provided a rich source of materials on the extensive terrorist infrastructure in the New York and New Jersey areas. When, immediately after the bombing, police examined the papers of El-Sayyid Nosair, a follower of

## **BEAVER HUNT VIDEO CONTEST IS ON!**

HUSTLER sounded the call for women of every race, creed and color to take it all off, grab a video camera and show a nation what they're made of. America responded with a deluge of entries for the *Beaver Hunt Video Contest*. Now it's your chance to take a shot at the \$5,000 Grand Prize. Simply throw a VHS tape into the camcorder and capture your Beaver doing what Beaver does best—whether it's fucking, masturbating, being shaved, being sucked, or simply looking pretty. The only limits are your kinky imagination! All participants must fill out the Model Release Form on the next page (make photocopies of the Form for friends if activities turn to group sex). Be sure to include photocopies of two forms of identification for everyone on camera, and send entries to *Beaver Hunt Video Contest*, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. The hottest tapes of the finest ladies will be included in the upcoming *Beaver Hunt Video* series, and the winning gals receive \$250—not to mention that \$5,000 reward for the Grand Prize Winner. If you've got what it takes to light up the Beaver screen, then let the cameras roll—the video *Hunt* is on!

her beaded bra pushes her awesome tits up in my face—plump, creamy-white bonbons, inches from my lips. My dirty-old-man feeling is making me increasingly uncomfortable. I distractedly tell her I'm thinking about working here, that I'm trying to get a feel for the club—anything to justify my presence there.

She slows down, then plops into the seat next to me so we can talk. I want to say, "Hey, that's just a cover! Keep dancing," but I'm also half-relieved.

She could be the poster child for stripping, trying to convince me to work there, raving about how dancing makes her "more uninhibited, more willing to see my body as a beautiful piece of artwork. It lets me explore my sexuality." She lowers her voice to a guilty whisper. "Now don't tell anyone, but this really well-hung Italian guy, super-young and handsome...I was dancing on his lap and felt his hard cock through his jeans. God, he was hung. I just kept grooving on his lap, eventually straddling his leg so I could come. One of the perks of this job is that handsome young guy, or maybe a respectful older man. Here there's no preliminary bullshit, like if I'd met them

at the library or the grocery. I can just sit on their laps and grind and fantasize away and enjoy myself."

I leave, exhilarated from going to the Crazy Horse alone, but still craving the sensation of Snow White squirming in my lap as though she'd meant it, as though she would've done it even *without* the 20 bucks.

A couple of days later, I head for the Lusty Lady, which has a reputation for being very safe and clean, and sensitive to the employees. The perfect titty bar, I tell myself, for a woman customer traveling alone. They're sure to welcome me with open arms.

The first thing I see as I enter the front lobby is a sign reading: PLEASE TREAT OUR PERFORMERS AND STAFF WITH THE SAME COURTESY WITH WHICH YOU'D LIKE TO BE TREATED. No tipping is allowed. I find out later that the dancers here make a weekly salary. Management doesn't want the girls "hustling for tips, so they're compromising their standards for the next buck." I'm betting the strippers are called "sex workers" too. Otherwise, the Lusty Lady is a typical peep show.

Not wanting the polished chrome tis-

sue holder in the booth to go to waste, I contemplate hiking up my skirt and playing with myself, but it's too hard while adding quarters. Anyway, the suburban-housewife lingerie and cheap heels on the dancers aren't particularly inspiring. Three inches just aren't fuck-me pumps.

None of them come over to my window either. Maybe they can't see me. They pay plenty of attention to all of the guys there, awkwardly spreading their lips and pushing their boobs up to tongue the nipples. I can't even order a dancer to come to me. A sign in the booth says PLEASE BE RESPECTFUL—DON'T GIVE ORDERS. *Who wants to anyway?* I think scornfully.

I'm about to leave my booth when a new girl comes on. She's so into herself, she doesn't seem to notice anyone watching her. She's got this vibe of a really young girl just discovering her own sexuality and reveling in it, the way she touches her breasts and sways, eyes closed. I pump more change in, hoping she'll come to my window, but it's impossible to get her attention.

I decide to conserve my last few quarters for the private one-on-one booth. The

Nichol Lee fantasizes about loving two men at one time, wears lingerie for a hobby and would like to work as a porn queen. Sounds like this 28-year-old beauty from Honolulu, Hawaii, has her priorities right: Sex is at the top of every list. Aloha.

Photo by Husband

Alexis is a 21-year-old dancer from Marietta, Georgia. She is wet a great deal of the time with hobbies that include camping, fishing and riding jet skis. Her fantasy is to make love in a bed full of red and yellow roses with a snake slithering across her body. This should make snakes smile everywhere.

Donna, 33, doesn't say much about her sexual fantasies, except to stress that she is open for suggestions. Judging by her picture, this certainly seems true—though her tits do seem slightly tied down. She is not choosy about which hobby she enjoys, so long as it's something she can do in the nude. From Ontario, Canada, Donna works in public service. The public in Ontario must be pleased.

Photo by Husband

Never a bore and 24, Katherine is a horse trainer from Macungie, Pennsylvania, who spends her free time skiing, rollerblading, practicing aerobics and swimming. Her fantasy time is spent dreaming of covering herself in hot oil and screwing on a fire escape above a crowded street busy with traffic. It's a wonder she ever finds the time just to relax, sit back and spread her meat.

Photo by Friend

Montana, a 22-year-old student from Orlando, Florida, enjoys rollerblading and gardening. She is torn between two fantasies: One involves being bent over a Harley and fucked from behind, and the other involves the backseat of a '69 Camaro, where fucking in any position will do. Both fantasies center around motor vehicles, and Montana has all the tools she needs to work with nuts, loose, tight or just hanging.

Photo by Friend

Nikkita's motor is revving. This 38-year-old stripper from Hayward, California, fantasizes about masturbating in a car while a group of men watches. This gal is definitely on a collision course for a multiple orgasm pileup. Watch out for moving violations.

Photo by Friend

Shannon from Chicago, Illinois, is a 29-year-old who enjoys sex, cooking and being outdoors, which means just one thing: Nude camping, anyone? By day she goes to medical school. If her picture is any indication of her schoolwork, this brainy gal gets an A for anatomy.

Photo by Husband

Sexy eyes, full lips and an abundance of tit, 21-year-old Christina, a housewife from Riverton, Illinois, seems to have it all, but it just ain't so. What's needed are three girls to play with in a locked bedroom, and Christina's fantasies will be complete.

Easy as 1-2-3.

Photo by Husband

Beautiful, brunet (but sometimes blond) Robin is a 24-year-old veterinarian's assistant from Phoenix, Arizona, whose hobbies include modeling lingerie and riding horses. She also enjoys riding her husband and fantasizes about riding several other men while her hubby-horse watches. Ride 'em, Robin!

Photo by Husband

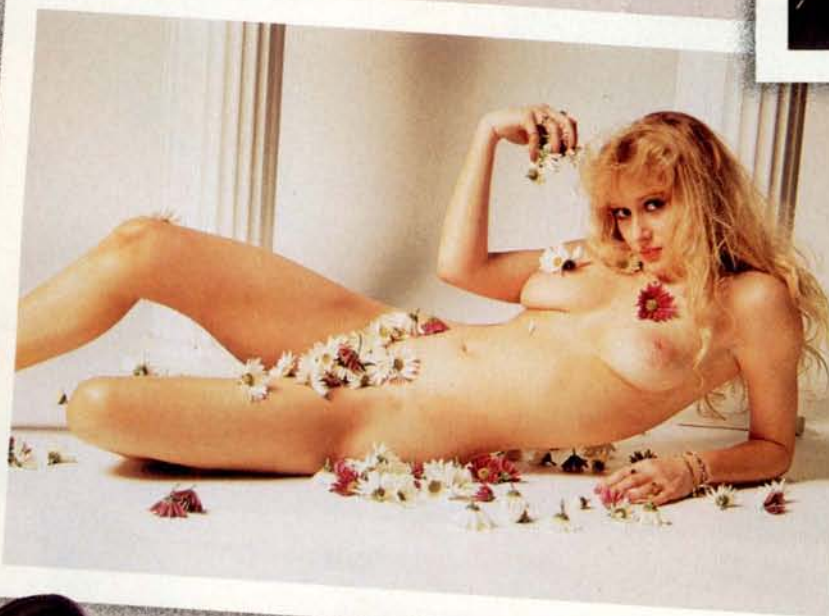

Alexis enjoys shopping, dancing and having sex—not in that order, we hope. She's a 20-year-old student from College Point, New York, who fantasizes about getting two girlfriends to help her tie up her husband and have their way with him. Kids today. What will they think of next?

Photo by Friend

Candi is a 24-year-old from Hyattsville, Maryland. She works as an entertainer and has one very entertaining fantasy: to be tied to a Corvette and fucked. Liquor may be quicker, but Candi is definitely dandy.

Photo by Friend

Anna's sexual fantasy life can be summed up in four words: two guys at once. This 22-year-old from Leeds, England, works as a receptionist and spends her free time enjoying theater, fashion and music. If her fantasies come true, England may not be such a dull place after all.

Photo by Friend

Diners in St. Clair, Missouri, are routinely served a special treat along with their meals: a waitress named Brandy. After work this pleasantly petite gal enjoys such gentle hobbies as relaxing, listening to music and cuddling. Sounds nice. A sip of Brandy, anyone?

Photo by Fiance

Kelly is a 20-year-old dancer from Louisville, Kentucky. Her hobby is sunbathing in the nude. On a hot day, this would go well with her sexual fantasy, which is to have the ice-cream man cover her in ice cream and lick it all off—being careful not to forget the cherry. If sweet, tasty-looking Kelly truly is still cherry-flavored, we must ask: What the hell have the men of Louisville been up to since this kid's 18th birthday?

# Strip

Jadine slides down with her back to me, rubbing her head between my breasts. I want to fondle her, but I catch myself, remembering what it was like when I danced. Sometimes I wish I could conveniently forget.

idea of jerking off with a chick in a booth is pretty hot. Only the line's too long. The club only has one booth. They don't want the dancers competing with each other.

Yet again, I leave dry. Outside, I run into the young girl with the first-time vibe, who's hunched over in a corner, smoking. Her name is Peppermint, and as it turns out, this is her first day—her first half-hour, in fact—working as a stripper.

"That's why I'm smoking," she reveals. "I don't usually, but the manager let me off for a bit because I was so freaked."

She asks if I'm thinking of working there. "Yeah, I was curious about the club," I lie.

She highly recommends the Lusty Lady. "It's a very nicely run establishment. They want us to be really clear about our boundaries, saying what's okay and what's not, and they're so for workers' rights."

That might be good for the dancers, but the Lusty Lady seems pretty vanilla to me. The really skilled, slightly less wholesome dancers work where they can pull in the tips. I need contact with them. I head for the Mitchell Brothers' O'Farrell Theatre, even though it has a \$30 entrance fee. Maybe there I can get some satisfaction.

Just as I arrive, the show is about to

begin in the Green Door Room, named for the classic Mitchell Brothers movie starring Marilyn Chambers. Three pairs of dancers go at it at once on picnic tables. The two blondes at my table are bland and mechanical, offering clichéd lesbianism at eye level. Politely turning down their invitation to linger for an "extra-special" private show, I go to get me a dancer in the Copenhagen Room.

In the "Kope," two girls are making their way around the room. They're naked. Despite the big bucks to be made in this room, some dancers decline to sign up for the Kope. I don't know if I'd feel comfortable working here. Certainly some of the guys aren't as polite as I am.

I choose Jadine, a tall, thin Asian girl with long, thick, black hair. She coos, "Ooh, baby, I just love doing it for women. Let me just groove on your lap, baby."

She tosses her hair; some gets in my face. Her tits are big for an Asian chick—firm too. They might be fake, but I don't care because she seems to be into it and into me. She straddles my leg, sliding up and down and putting her knee in my crotch. "How does that feel?" she whispers in my ear. I'm tingling, jumping, ready to scream. I give her another 20 to make sure she doesn't stop. I want her to get me off.

"I'm so into girls," she moans theatrically.

"This feels so good, doing this with you." Jadine slides down with her back to me, rubbing her head between my breasts. My fingers are numb from sitting on them. It's too much and not enough. I want to fondle her, but I catch myself, remembering what it was like when I danced. Sometimes I wish I could conveniently forget.

Jadine finally slows down to ask for more money, but I can't handle another second of her slippery ass against my thighs. I rush out into the night air, feeling all worked up with no place to come. Maybe this is a bad habit I've gotten into. Each visit just makes me want more. Perhaps it's time for a break.

The next night, I march firmly into the Century. The Century is really grim, dark and shady—a lot like places I worked at in New York. It's 1 a.m., and the club is dead, maybe because it's so late. There are more guys outside smoking than in the theater. Just inside the door, the dancers huddle in a group. It looks like a junior-high dance: boys on one side, girls on the other.

Upstairs, the club features live shows. Behind one curtain, two women are writhing around on the carpeted floor, and two men are running away looking bewildered. They make some excuse about having "to go back and get the bachelor. It's for him; we'll be right back," as they dart out the door. After one look at the dirty carpet and the horrifying tit-job scars, I follow them. Downstairs, the two guys are sitting and making no attempt to go back up. I had a feeling they weren't going to "be right back."

Onstage, a knobby-kneed dancer is doing a wobbly two-step in heels that she doesn't know how to move in, but that aren't even high enough to be sexy. The evening, so far, is not improving.

But as soon as I'm in my seat, a semi-cute dancer asks if I want some company. I brush her off, though she gets points for being the first one in all the clubs to approach me. I call her back, "Alexa, Alexa," and wave her over. She announces, "It's not Alexa. It's Electra, like the complex." Great—a psych major.

After I give her some money, she slides around on my lap. Electra's loud and enthusiastic, just like Julie McCoy, but this isn't the Love Boat, and she quickly grates on my nerves. I want to tell her to shut up and dance, but she goes on and on, volunteering tons of information about school and her girlfriend. "I've never danced for a woman before," she bubbles. "I'm gonna fuck

(continued on page 146)

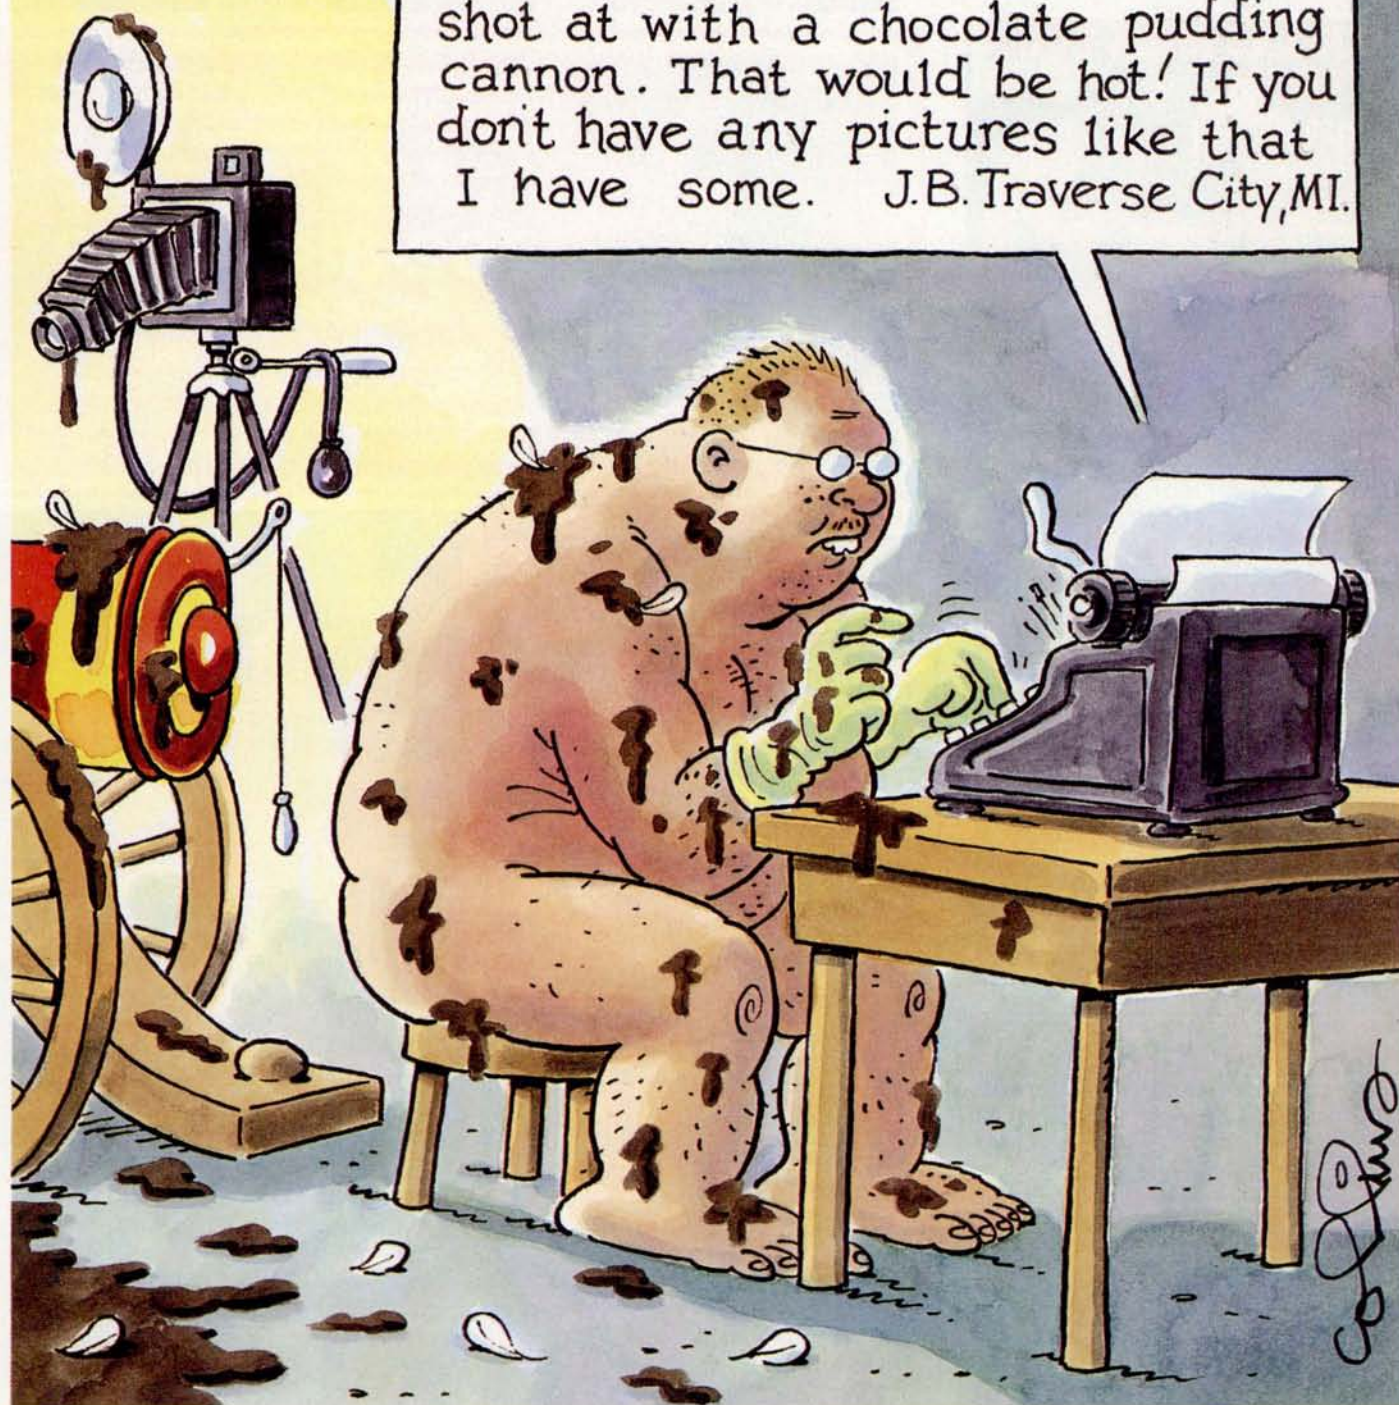

Oh, wait—I think I remember you now! 'Short dick, ten-second fuck,' right?"

Dear HUSTLER;

I have been a big fan of your magazine for many years. I think it would be great if you did a lay-out with a naked lady in a chicken suit tied to a spinning wheel and shot at with a chocolate pudding cannon. That would be hot! If you don't have any pictures like that I have some. J.B. Traverse City, MI.

# Islam

(continued from page 104)

Rahman who had been arrested (later convicted) for the murder of militant Jewish leader Rabbi Meir Kahane in 1990, they discovered a road map to an international terrorist network headquartered in the United States.

But, warns former FBI official Oliver B. Revell, these materials are "only a small part of the picture. There is an extensive subterranean network in the United States of radical militants whose activities are not illegal. What we need to focus on is what these people are saying. That is the key to understanding what they will do."

According to Ahmed Said Nasr, an Egyptian journalist and former diplomat based in Washington, D.C., "During the past several years, there has been not only a proliferation of Islamic fundamentalist groups in the United States, but they have carried out a major deception to the American public by masquerading as charities and religious or educational organizations. In the West, you think of schools or religious institutions as totally innocent because of your tradition of separation of church and state. But for the Islamic fundamentalist movement, there is no separation of church and state."

One of these groups, the Muslim Arab Youth Association (MAYA), based in

Plainfield, Indiana, holds an annual convention at which American Muslims are rallied in support of various militant Islamist causes. The world's fundamentalist leaders come to the conventions not only to address Muslim Americans, say law-enforcement officials, but to coordinate operations behind closed doors. A Chicago-based Palestinian-American who was convicted of abetting terrorist acts admitted to Israeli authorities that he had helped to train Hamas recruits at a MAYA convention.

Steven Emerson reports that one of the most popular lecturers at the MAYA conference held in December 1994 was Bassam al-Amoush, a member of the Islamic coalition in the Jordanian parliament. Amoush led the crowd in cheers of "Allahu Akbar" (God is Great) when the news was handed to him that Hamas had attacked a bus in Jerusalem, wounding 19 and killing three. At a smaller gathering of fundamentalists in Detroit six months earlier, Amoush declared America "the number-one enemy and...the Great Satan." He assured the crowd that it was "certainly possible to defeat America, as the Vietnamese demonstrated."

For fundamentalist Muslims, this may just be the beginning. After 1,000 years of lying dormant, Islam has time on its side. ☪

# Strip

(continued from page 130)

my girlfriend and think of you when I go home."

Electra's comments should be sexy, but I'm just trying to figure out how to get her off my lap. My dress is hiked up, exposing some skin above my stockings. It should be an utterly juicy experience feeling her ass against my legs, but I just want her to quit pulling on the skin of my thighs. When she finally asks 15 minutes later if I "need a break," I nod happily and shake her off.

I'm feeling bad and dirty and frustrated. But there's still the Cinema, another \$30 sex palace. I'm nearly broke at this point; so I beg my way in the next night, claiming I want to check out the club before auditioning.

The Cinema is very seedy. It's how I'd always imagined strip clubs to be, with worn, stained red-velvet seats and a sticky floor. The stage is decorated with larger-than-life-size paintings of strippers on brown paper. They look like props for an elementary school play, painted in bright neon colors with sparkles to accentuate the tits and G-strings.

It's impossible to find a seat. I stand off to the side watching the action. Onstage is a dancer decked out in an elaborate, hot-pink ball gown with hoop skirts. She's playing the whole Southern Belle routine, swishing her skirt to flash a bit of stockinged thigh. Apparently, she's a feature: Andrea Amore.

Amore slowly peels off layers to draw out the show. She has no sense of rhythm, and slow, undulating moves are not in her repertoire.

Finally, she moves onto floorwork, dribbling honey all over herself and a gigantic dildo. The dancers next to me want to know who's going to clean up her mess. Miss Amore proceeds to sink all ten inches of the dildo with ease, and gets three tips. Truly riveting—like a train wreck.

I get tired of waiting for the next dancer to begin. They're probably still trying to scrape the honey off the stage. The only girl who approaches me is a pudgy little double for Miss Piggy. I leave, disgusted with strip bars, with this city, with myself. What is it I'm looking for anyway?

I know now what I have to do. I'll go back to see Snow White in a couple of days when I know what to say to her, when I've composed something really good. I walk down Market Street, thinking about taking her a gift, even—that will get to her heart. I *am* different. She made me feel good; there's got to be something there. ☪

# PENIS ENLARGEMENT

**You can thicken, harden, and lengthen your penis to 12 inches or your maximum potential!**

The only complete penis enlargement system featuring the largest selling and most successful pump and **free** step-by-step instructional video and magazine!

**Successful results for over 20 years with more than 5 million men!**

**How can our heavy duty deluxe penis enlarger increase the length and thickness of your penis?**

The answer is called hypermia, a medical term to describe blood filling into the caverns of your penis. The caverns expand causing your penis to grow in length and diameter. The superior pump action and sealed vacuum of our penis developer urges your penis to grow to mammoth proportions.

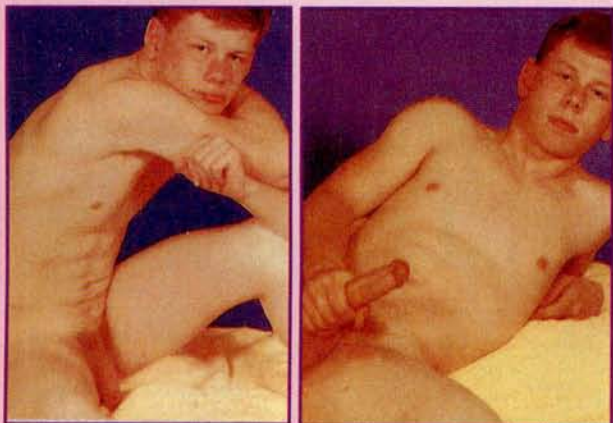

**Can I use any pump to increase penis size?**

Not exactly. Inferior substitute pumps and electric massage pumps can't help you. You need a quality pump constructed of the finest materials tested and tried and used successfully for over 20 years. Our pump will give your penis increases in length and diameter you never dreamed possible. Up to 10 inches, even 12 inches... or your maximum potential, and you'll see this dramatic increase in size grow right before your very eyes, through the clear housing.

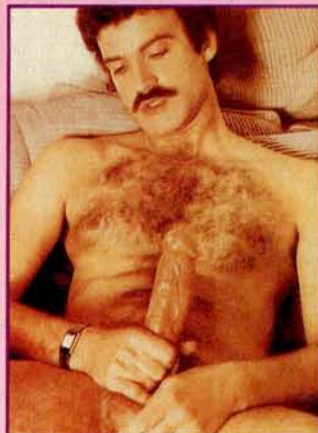

**If I have a quality pump, is that enough?**

You need to know how to use the pump. This is important! Our instructional video tape and magazine shows you, step-by-step, how to harness the energy of our powerful pump. The video tape and magazine are easy to follow and guarantees you will understand how to use our pump. You will learn how to make your penis thicker and longer by following the easy step-by-step instructions.

**You will be pleased with the results and so will your sex partner!**

**Any man, any age, any size and any race can achieve a longer, thicker, and harder penis!** Our heavy duty deluxe pumps are the same type of pumps prescribed by doctors that sell for up to \$500 to help men produce an instant, dynamic, rock hard, throbbing erection. Accept no substitutes.

*There's a lot more  
to it than just  
pumping  
it up!*

You'll see top XXX-  
stars going through  
this new system and  
enjoying their huge  
size with their  
partners! You'll see  
such

- demonstrations as:
- How to increase size and staying power at the same time!
  - How to develop the ability to climax without cumming - and maintain a full erection for continued sex!
  - How to develop the internal muscles that make your penis thrust out and up as never before!
  - How the three different shapes of penises affect sex!
  - Why pumping up by itself doesn't work!
  - How long it will take to show a measurable difference.
  - A secret of immediate size increase any man can use anytime for instant results!
  - The equipment you'll need... how often to use the system... the important side benefits of the system... how women feel about male genital size... much, much more!

## UNIQUE FOUR-STEP SYSTEM VITAL TO SUCCESS!

If you've ever dreamed of seeing your penis grow as much as several inches longer and thicker... probing new depths of ecstasy within your partner... stretching aroused openings to the limit as few men ever have, this extraordinary 4-way system is your ticket to success! But pumping up with a vacuum device is not enough! Unless you know and use ALL 4 PARTS of this proven system, you'll never see how really huge your penis can get! Now, for the first time, everything you need to do is shown, step-by-step on this exciting video!

## CASE HISTORIES PROVE THIS SYSTEM WORKS WHERE OTHERS FAIL!

Doctors measured and recorded giant increases in both length and thickness in men who carefully followed this system. (There was no improvement noted in the men using other enlargement techniques.) • Youth of 19, grows 2.4 longer, 2.3 thicker! • Man aged 60, gains over 2.6 in length and circumference! • 36-year old develops 2.4 in length, almost 2 in girth! • Man of 61, 2.7 length increase, 3.1 in girth! • 58-year old documented 2.8 length increase, 2 1/2 around! • 3.1 length increase for 20 year old; 2.2 around!

## JUST USING A VACUUM PUMP IS NOT ENOUGH!

Yes, a vacuum pump is essential to increasing penis size. But pumping up is only one-fourth of the secret to success. Without all four parts in place, in order, properly used, you are probably doomed to failure. This is the first video that takes you step-by-step through the only enlargement system ever proven to really work. That's why we call it THE RIGHT WAY TO ENLARGE YOUR PENIS! Regular

## HUSTLER®

### NATURE IN FULL BLOOM

In the month of May, when nature bursts with bright and beautiful flowers, HUSTLER presents a full crop of luscious and lascivious beauties that will make you burst with human pollen. Jump for joy at the abundant boobage of a natural blond nymphomaniac as she grapples with a giant cock and gets her face sprayed for the effort; wet-skinned lesbians trade licks and enjoy each other's private places for the benefit of our not-so-private lenses; a caramel-colored sister masturbates in the great outdoors and offers up her pillowy ass for the sun's offerings; a raven-haired vixen with a sex-crazed gleam in her eyes spreads over the hood of a car and displays her body's tightest-fitting spots; and a blue-eyed virgin with tits like scoops of ice-cream discovers the special place where she hides her cherry. In May, the blossoms and buds inside HUSTLER put nature's flowers to shame.

### DARK NATURE

"When the policeman raced to the closet, he came face-to-face with the no-longer-missing sex starlet. The brown-haired, green-eyed Hughes was hanging lifeless from the closet's wooden clothing rod, a white-cotton rope coiled tightly around her neck, her once pretty face discolored and contorted, with blood seeping from her mouth." In *Why Are America's Porn Stars Killing Themselves?* HUSTLER correspondent Marc Medoff explores the alarming trend of violent, self-inflicted death among XXX performers. Is suicide painless? Medoff shows how painful life can be for those who labor in the industry of bringing pleasure to the screen.

### VIOLENT NATURE

Whacked-out Japanese dudes with tinted glasses, gaudy suits and chopped-off fingers cruise the streets of Tokyo spreading corruption and mayhem, yakuza-style. The Japanese mafia settle scores and prove their honor the old-fashioned way: beheading and mutilating their enemies with samurai swords. The intensely secret life of a yakuza crime boss is exposed in Chaz Worthington's report from Japan, *The Samurai Syndicate*.

### BETTER NATURE

Roberto Santiago shares shopping tips for married buyers of retail gash in May's *Sex Play*, "Guilt-Free Infidelity: Married Men and Prostitutes"; in a bid for the Nobel Prize in science, *Bits & Pieces* shreds gay genes and finds a cure for cancer that stinks of tomato sauce; *Erotic Entertainment* nails winning films with *Fully Erects* and sticks it to the losers; and pussies that don't purr are presented for your stroking pleasure in *Beaver Hunt*.
